POSSIBLE MOTION:

1) I move to direct the Green Valley Redevelopment Area Commission to meet with residents of the redevelopment area and present a report of issues and recommendations for the area to the Town Council.

SUMMARY OF THE BASIS FOR POSSIBLE MOTION:
The Green Valley Redevelopment Area (GVRA) was determined in September 1999 as the result of a Plan created by 12 residents who composed the GVRA committee, and the Town Council and staff at that time. The boundaries for the redevelopment district are: Beeline Highway (East), McLane and Oak Streets (West), Bonita and Summit Streets (North), and US Forest land and the Tonto Apache Tribal land (South).

The September 1999 Plan contained proposed redevelopment actions, among other items of interest. Recently, there have been changes in the Arizona State law regarding redevelopment districts. Vice Mayor Vogel would like to see an update of the area showing current proposed redevelopment actions/needs.
