# Business Buzz Presents

## Extreme Makeover in Rim Country: Creating a Sense of Place

Join us to learn about re-making the communities in Northern Gila County's Rim Country more desirable "destination locations."

## The Speakers

**Daniel Cleland, RLA, ASLA, The Cleland Group, LLC**
*Payson Event Center*
The Cleland Group LLC has specialized in the development of themed and special Event Facilities, and custom created environments throughout the southwest and internationally for over thirty-five years. This unique group is comprised of landscape architects, planners and creative strategists that design and develop signature environments custom fit to clients' needs, through *"total client immersion"* into their *"Participatory Design Process"*.

**Angela D. Dye, FASLA, LEED® AP, Principal/President ASLA, A Dye Design**
*Main Street Vision, Payson Townwide Landscaping & Signage Master Plan*
Founded in 1998, A Dye Design's community-defining projects include downtown redevelopment, transit centers, campus design, streetscapes, plazas, neighborhood traffic calming, parks, urban living, living/green rooftop gardens and public open space. They also develop public involvement programs, workshops, and charrettes that encourage citizens to participate in defining their communities.

**William D.H. Francis, ASLA, Pinnacle Design, Inc.**
*Sawmill Crossing*
Pinnacle Design provides the best possible interior architecture and landscape architecture services. They pride themselves on being personally involved in their firms design process by combining responsiveness, reliability, and thoroughness with competent and creative design skills. Whether designing for corporate or end users, speculative development, or as a consultant, Pinnacle has produced successful projects for their clients.
