

**TOWN OF PAYSON  
NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN that the Town Council will hold a Public Hearing on March 23, 2006, at 6:00 p.m., concerning Application P-310-05, filed by Payson Development Group, LLC, property owners; G. Michael Horton, representative; for a zone change request from R1-175 to R1-6, for approximately 8.2 acres located at 2009 N. McLane Road, Payson, Arizona. The request is to rezone the subject property for 35 single family detached lots and two tracts. The Gila County tax parcel number for the property is 302-35-007A.

Interested persons may file a statement in writing for or against the proposed amendment to the Unified Development Code (UDC) or appear and be heard at the hearing date set forth. The Council hearing will be held in the Council Chambers at Town Hall, located at 303 North Beeline Highway, Payson, Arizona, Phone Number 474-5242.

The Town of Payson endeavors to make all public meetings accessible to persons with disabilities. With 48 hours advance notice, special assistance can also be provided for sight and/or hearing impaired persons at public meetings. Please call 474-5242 (voice) or 472-6449 (TDD) to request an accommodation to participate in this meeting.

**TOWN OF PAYSON  
NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN that the Planning and Zoning Commission will hold a Public Hearing on November 14, 2005, at 4:00 p.m., and the Town Council will hold a Public Hearing on December 8, 2005, at 6:00 p.m., concerning Application P-310-05, filed by Payson Development Group, LLC, property owners; G. Michael Horton, representative; for a zone change request from R1-175 to R1-6, for approximately 8.2 acres located at 2009 N. McLane Road, Payson, Arizona. The request is to rezone the subject property for 35 single family detached lots and two tracts. The Gila County tax parcel number for the property is 302-35-007A.

The Council Hearing date will be continued if the Planning and Zoning Commission has not given a recommendation. Interested persons may file a statement in writing for or against the proposed amendment to the Unified Development Code (UDC) or appear and be heard at the hearing dates set forth. The Planning and Zoning Commission hearing and the Council hearing will be held in the Council Chambers at Town Hall, located at 303 North Beeline Highway, Payson, Arizona, Phone Number 474-5242.

The Town of Payson endeavors to make all public meetings accessible to persons with disabilities. With 48 hours advance notice, special assistance can also be provided for sight and/or hearing impaired persons at public meetings. Please call 474-5242 (voice) or 472-6449 (TDD) to request an accommodation to participate in this meeting.

Ray Jones, Chairperson  
Planning and Zoning Commission

PUB: October 28, 2005

DEC 08 2005 F.1

JAN 12 2006 F.1

**P-310-05**

Barbara Underwood moved, seconded by Mark Waldrop, that the Planning and Zoning Commission recommend to the Town Council **approval** of P-310-05, a zoning change request from R1-175 to R1-6, for the purpose of a proposed thirty-five (35) lot, single family residential subdivision, 'Mogollon Ridge' on 8.2 acres of land, at 2009 North McLane Road, with Tax Parcel Number 302-35-007A and a portion of 302-35-006E, with the following conditions:

1. Development on the property shall be limited to two (2) Equivalent Residential Units (ERU's) as calculated under Chapter 50 of the Code of Payson and Ordinances 480, 528, and 537 as amended, unless the owner/developer of the property provides the Town with a new, adequate water supply for additional development.
2. The development shall be in substantial conformance with the site plan as submitted in the staff report.
3. The developer shall provide adequate sanitary facilities, depicted in the Improvement Plans, which are acceptable to the Northern Gila County Sanitary District, prior to final plat approval.
4. A lot line adjustment creating the parcel requested for the zoning change shall be recorded prior to submittal of the preliminary plat.
5. If any conditions, one through four above, cannot be met or the applicant does not have an approved Final Plat within two (2) years of the approval date of the zoning change, then the R1-6 rezoning may revert to the original R1-175 zoning, pending Council Action.

**Motion carried 2-1 with James Scheidt casting the dissenting vote.**

# Summary Memo

To: Town Council

**AMENDED**

**3-1-06**

From: Ray Erlandsen  
Zoning Administrator

Subject: **P-310-05 Zone Change Request**  
2009 N. McLane Road  
(Proposed Mogollon Ridge Subdivision)

Date: March 1, 2006

- \* The Applicant is requesting approval of a zone change from R1-175 to R1-6 for the proposed development of 35 single family residential lots to be called Mogollon Ridge on 8.2 acres at 2009 N. McLane Rd.
- \* This request meets the requirements of the Land Use Element of the General Plan.
- \* This request meets the requirements of the Water Resources Element of the General Plan, if condition one (1) of the staff report is adopted.
- \* On November 14, 2005, the Planning and Zoning Commission reviewed this application at a public hearing and recommends the Town Council **Approve** P-310-05, a zone change from R1-175 to R1-6, with 5 conditions.
- \* ***This item was scheduled for the December 8, 2005, Town Council meeting, but was pulled from the agenda by Mayor Brewer at the request of the applicant.***
- \* ***Staff has determined that a protest petition submitted by adjacent residents requires a favorable vote of three-fourths of the members of the Council to effect this zoning change request.***

Excerpt from Arizona Revised Statutes:

9-462.04. Public hearing required

- H. If the owners of twenty per cent or more either of the area of the lots included in a proposed change, or of those immediately adjacent in the rear or any side thereof extending one hundred fifty feet therefrom, or of those directly opposite thereto extending one hundred fifty feet from the street frontage of the opposite lots, file a protest in writing against a proposed amendment, it shall not become effective except by the favorable vote of three-fourths of all members of the governing body of the municipality. If any members of the governing body are unable to vote on such a question because of a conflict of interest, then the required number of votes for passage of the question shall be three-fourths of the remaining membership of the governing body, provided that such required number of votes shall in no event be less than a majority of the full membership of the legally established governing body.

**G. Council Action**

1. If the owners of 20% or more either of the area of the lots included in a proposed change, or of those immediately adjacent in the rear or any side of the lot extending 150 feet, or of those directly opposite of the lot extending 150 feet from the street frontage of the opposite lots, file a protest in writing against a proposed amendment, it shall not become effective except by the favorable vote of three-fourths of the members of the Council. If members of the Council are unable to vote on the issue because of conflict of interest, then the required number of votes for passage of the question shall be three-fourths of the remaining membership of the governing body, provided that such required number of votes shall in no event be less than a majority of the full membership of the Council.
2. Upon receipt of the Commission's recommendation, the Council shall hold at least one public hearing, within a reasonable time thereafter, after first noticing in the same manner as is required of the commission, and may thereupon take appropriate action. It shall not be the responsibility of the Town to maintain the posting once erected.

James Scheidl, Chairman, Planning and Zoning Commission

Re: Challenge to petition filed by Lori Meyers for zoning change application P310-05

My challenge to this petition is two parts;

First, are all the joint ownership properties signed by all the owners? It is my opinion that if they are not then those signatures might not be valid and should not count.

Second, are all the valid signatures on either the rear or on the side and not accumulative? ARS 9-462.04 clearly states it must be one or the other to achieve the twenty percent needed to force the Town Council vote to three-fourths.

I am not submitting this challenge in behalf of anyone other than myself. I only want to make sure each and every citizen gets there due process.

# Memo

To: Town Council

From: Ray Erlandsen  
Zoning Administrator

Subject: Zone Change Request - P-310 -05  
2009 N. McLane Road

Date: January 3, 2005

- The Applicant is requesting approval of a zone change from R1-175 to R1-6 for the proposed development of 35 single family residential lots to be called Mogollon Ridge on 8.2 acres at 2009 N. McLane Rd.
- On May 9, 2005, the Planning and Zoning Commission reviewed this application at a public hearing and recommends the Town Council **Approve** P-313-05, a zone change from R1-8-MH to R3-MH, with 3 conditions, as listed on page four of the staff report.
- This request was scheduled for a public hearing at the December 8, 2005, Council meeting.
- Prior to the December 8, 2005, Council meeting, the Applicant requested this item be postponed until the January 12, 2006, Town Council Meeting.
- On December 8, 2005, the enclosed petition was received in opposition to the applicant's request for rezoning (see attached).
- Staff has determined, based on the petition submitted, that three-fourths of the members of the council are required to vote favorably in order for the zone change to become effective.
- Attached are excerpts from Arizona Revised Statute 9-462.04, H and the Town of Payson Unified Development Code (UDC), Section 15-09-008, G.1, listing the above requirements for a three-fourths majority vote.

# Summary Memo

To: Town Council  
From: Ray Erlandsen  
Zoning Administrator  
Subject: **P-310-05 Zone Change Request**  
2009 N. McLane Road  
(Proposed Mogollon Ridge Subdivision)  
Date: November 17, 2005

- \* The Applicant is requesting approval of a zone change from R1-175 to R1-6 for the proposed development of 35 single family residential lots to be called Mogollon Ridge on 8.2 acres at 2009 N. McLane Rd.
- \* This request meets the requirements of the Land Use Element of the General Plan.
- \* This request meets the requirements of the Water Resources Element of the General Plan, if condition one (1) of the staff report is adopted.
- \* The applicant originally submitted an application to rezone 12.4 acres from R1-175 to R1-6 and R3-PAD at 2009 N. McLane Rd. and 215 W. Houston Mesa Road. After being scheduled for public hearings in March, 2005, the applicant requested the matter be tabled until further information could be prepared.
- \* The applicant has now submitted a proposal to rezone 8.2 acres from R1-175 to R1-6 for the development of the original 35 lot subdivision for single family residential dwellings (R1-6) only.
- \* A request to rezone the remaining property to R3-PAD, after a required lot line adjustment, will be submitted in the future and will be processed as a new application. At that time, requirements for a new application must be completed including a new citizen's participation plan.
- \* On November 14, 2005, the Planning and Zoning Commission reviewed this application at a public hearing and recommends the Town Council **Approve** P-310-05, a zone change from R1-175 to R1-6, with 5 conditions.

**TOWN OF PAYSON  
REPORT TO THE  
PLANNING & ZONING COMMISSION**

---

November 7, 2005

**FROM:** Ray Erlandsen  
Zoning Administrator

**SUBJECT:** Proposed **Zoning Change** from R1-175 to R1-6, for the purpose of a proposed thirty-five (35) lot, residential subdivision "Mogollon Ridge" on approximately 8.2 acres of land.

**I. INTRODUCTION**

**MEETING DATE:** NOVEMBER 14, 2005

**CASE NUMBER:** P-310-05

**LOCATION:** The proposed 'R1-6' property is located on the east side of N. McLane Road between the Payson Pines and Payson Ranchos Unit 1 Subdivisions and is currently addressed as 2009 N. McLane Rd.

**TAX PARCEL:** 302-35-007A & a portion of 302-35-252

**APPLICANTS:** Payson Development Group; property owners  
G. Michael Horton, representative

**REQUEST:** "Request to rezone 8.2 acre parcel from R1-175 to R1-6, for a subdivision of 35 lots (6,000 S.F. min.) and 2 tracts."

**PURPOSE:** To determine how a request for a change in zoning classification, from R1-175 to R1-6 shall be recommended to the Town Council.

**II. EXISTING LAND USE/ZONING DESIGNATION:**

**EXISTING SITE:** Undeveloped Single Family Residential Property / R1-175

**NORTH:** Developing Single Family Residential Property / R1-6-MH-PAD  
(Payson Pines Subdivision)

**SOUTH WEST:** Developed Single Family Residential Property / R1-6  
(Payson Ranchos Unit 1)

**WEST:** Developed Single Family Residential Property / R1-175  
(2008 N. McLane Rd.)

**EAST:** Undeveloped Single Family Residential Property / R1-175

**III. PROJECT DESCRIPTION:**

- A. The applicant originally submitted an application for rezoning of 12.4 acres from R1-175 to R1-6 and R3-PAD for 2009 N. McLane Rd. and 215 W. Houston Mesa Road scheduled for a public hearing at the March 7, 2005 P & Z Commission meeting. It was tabled to the March 28, 2005 meeting. Prior to the March 28, 2005 meeting, the applicant requested it be tabled until further information could be prepared.
- B. The applicant has now submitted a proposal for rezoning 8.2 acres from R1-175 to R1-6 for the development of a 35 lot subdivision for single family residential dwellings (R1-6) only.
- C. A request to rezone the remaining property to R3-PAD, after a required lot line adjustment, will be submitted in the future and will be processed a new application. At that time, requirements for a new application must be completed including a new citizen's participation plan.

**IV. PREVIOUS ZONING & BUILDING ACTIONS:**

- A. **Zoning Actions** - On January 3, 1972, the Gila County Board of Supervisors approved a Gila County P & Z Commission Request (Z-15-71) to "rezone to R1-170 all existing U.S. Forest Service land lying within the Payson zoned area; being portions of T 10 N, R 10 E & T 11 N, R 10 E."

Note: No ordinance was found that would initiate the Zoning Map change from R1-170 to R1-175, however the Zoning Map has depicted the change since 1977.

- B. **Building Actions** - No Building Permits have been issued for this property.

**V. APPLICABLE REQUIREMENTS:**

Section 15-09-008 of the Town of Payson Unified Development Code, explains the requirements and procedures for a change in zoning classification. A summary of the requirements are as follows; a completed Town application form which includes a detailed description of the request for the zoning change, proof of ownership of the subject property, a 300' radius map of the subject property and surrounding properties within 300' of the subject property boundaries, notification of all property owners within the 300 foot radius, a legal description of the subject property and appropriate filing fees. Ordinance 552 and Resolution 1399, also requires a Citizen Participation Plan.

**VI. BACKGROUND INFORMATION:**

- A. This property does have frontage on a dedicated and improved ROW (Rights of Way), N. McLane Road and W. Houston Mesa Road.
- B. This property is not within a floodplain designated area.
- C. District Standards for the R1-6 classification are as follows:

District	Minimum Lot Size				Max Lot Cover	Minimum Yard Setbacks				Min Space Between Buildings	Public Water Sewer Required <sup>4</sup>
	Area sq. ft.	Width <sup>1</sup>	Depth <sup>2</sup>	D/U Area		Front	Rear	Side	Strt Side		
R1-6	6,000	60'	90'	6,000	50%	20'	20'	5'	10'	10'	YES

## **VII. ANALYSIS:**

### **A. Compliance of the Proposed Zoning Request with the Land Use Element of the General Plan**

#### **1. Compliance with the Density Requirements**

##### **a. Proposed R1-6**

This property is depicted as High Density in the Land Use Element. R1-6 is listed in the current Land Use Element as High Density with up to 7.26 units/acre. As presented, there would be 35 dwelling units on 8.2 gross acres. Calculation:  $35 \text{ DU} \div 8.20 \text{ acres} = 4.27 \text{ DU per acre}$ .

### **B. Compliance of the Site Plan with Proposed District Standards**

#### **1. Proposed R1-6 District**

- a. All proposed lots 1 thru 35 exceed the 6,000 sq.ft. area requirement.
- b. All proposed lots 1 thru 35 exceed the 60 foot width requirement.
- c. All proposed lots 1 thru 35 exceed the 90 foot depth requirement.
- d. All proposed lots 1 thru 35 meet the 'depth to width' ratio of three to one. (See Section 15-07-002, Item E.3 of the UDC)

2. Currently this proposal consists of one entire parcel at 2009 N. McLane Road and part of the parcel at 215 W. Houston Mesa Road. A lot line adjustment would be required to be recorded, prior to submittal of a preliminary plat, which would create the parcel requested for the zoning change.

### **C. Compliance of the Site Plan with Subdivision Standards**

Although the specific requirements of the subdivision development standards will be reviewed at the preliminary plat stage, cursory review is done at this time to insure compliance with goals and objectives of the Town Council, the requirements of the Unified Development Code and state law.

#### **1. Transportation, Circulation, and Hillside Subdivision Impacts**

LaRon Garrett, the Town Engineer, has reviewed the proposed site plan and has no major concerns with the conceptual design. He feels there are issues that need to be addressed, but are more appropriate at the preliminary plat stage, if the proposed zoning districts and uses are established.

#### **2. Water**

As the current zoning is R1-175, which would allow four acre parcels and this parcel is 8.2 acres, development on the property shall be limited to two (2) Equivalent Residential Units (ERU's) as calculated under Chapter 50 of the Code of Payson and Ordinances 480, 528 and 537 as amended, unless the owner/developer of the property provides the Town with a new, adequate water supply for additional development.

#### **3. Sanitary Facilities**

Public sanitary facilities would be required for R1-6 zoning. The developer is required to provide adequate sanitary facilities, depicted in the Improvement Plans, which are acceptable to the Northern Gila County Sanitary District, prior to Final Plat approval.

#### **4. Fire Safety**

Mike Winters, the Town Fire Marshal, has given preliminary approval to the proposed site plan as presented. Final comments would be appropriate at the preliminary plat stage.

5. **Street design, street naming, drainage, easements, slope analysis map** and other subdivision requirements are reviewed at the Preliminary Plat stage, when the zoning has been established and more specific information (ex. Hydrology report, soils tests) has been submitted for review.

#### **D. Compatibility with adjacent zoning districts**

Staff finds the proposed R1-6 zoning to be compatible and identical with the zoning for the Payson Pines Subdivision on the North and the Payson Ranchos Subdivision on the South.

Staff does have a concern with the property at 2008 N. McLane Road, which would still be zoned R1-175 and left as an island in the middle of R1-6 zoning districts.

#### **E. Compatibility with the topography**

The proposed development could be compatible with the topography.

#### **F. Citizen's Participation Report**

The Citizen's Participation Report, submitted with the original application, is enclosed. As the R1-6 portion of the original application is substantially unchanged and as it has not been twelve months since the citizen's participation meeting, staff accepted the original report.

#### **G. Citizen Input**

Letters in favor and opposed to the original proposed zoning change were received. This information is attached for Commission review.

### **VIII. FINDINGS OF FACT**

1. The proposed R1-6 zoning could be compatible with the R1-6-MH-PAD zoning to the north and the R1-6-MH zoning to the southwest.
2. The proposed R1-6 zoning would leave a R1-175 "island" at 2008 N. McLane Rd.
3. The proposed R1-6 zoning is compatible with the current Land Use Element of the General Plan.
4. The proposed Mogollon Ridge subdivision could be compatible with the topography and adjacent property uses.

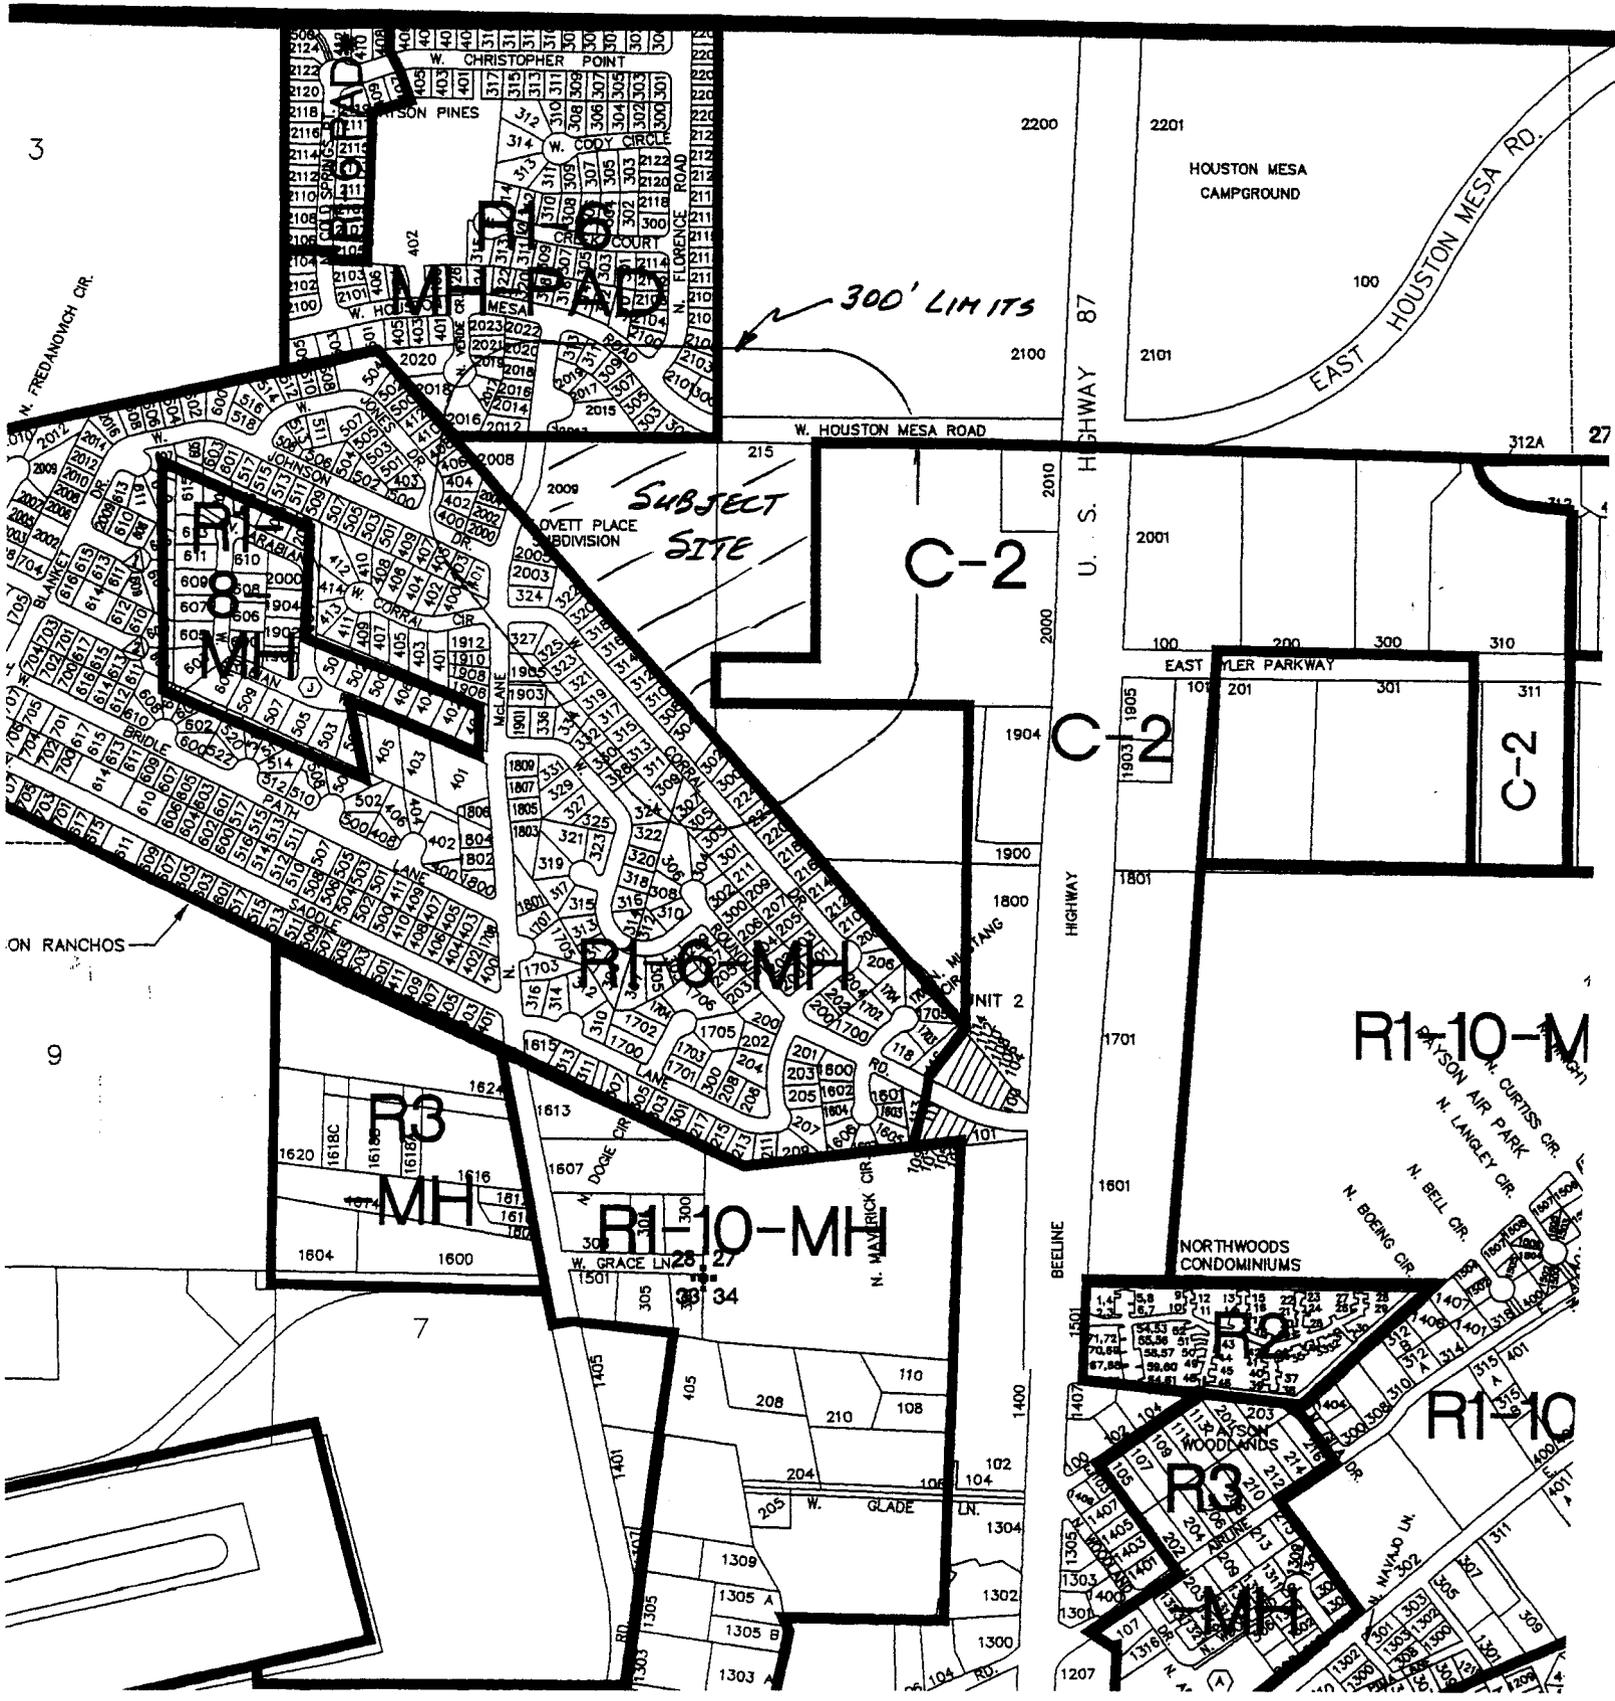

## **IX. RECOMMENDATION FOR P-310-05:**

As the requested zone change from R1-175 to R1-6 is in conformance with the Land Use Element of the General Plan, meets the requirements for district standards for the proposed R1-6 and would meet the requirements for the Water Use Element of the General Plan if condition one is approved, staff recommends that:

The Planning & Zoning Commission recommend to the Town Council **approval of P-310-05, a zoning change request from R1-175 to R1-6**, for the purpose of a proposed thirty-five (35) lot, single family residential subdivision, 'Mogollon Ridge' on 8.2 acres of land, at 2009 N. McLane Road, with Tax Parcel Number 302-35-007A and a portion of 302-35-006E, with the following conditions:

1. Development on the property shall be limited to two (2) Equivalent Residential Units (ERU's) as calculated under Chapter 50 of the Code of Payson and Ordinances 480, 528 and 537 as amended, unless the owner/developer of the property provides the Town with a new, adequate water supply for additional development.
2. The development shall be in substantial conformance with the site plan as submitted in the staff report.
3. The developer shall provide adequate sanitary facilities, depicted in the Improvement Plans, which are acceptable to the Northern Gila County Sanitary District, prior to Final Plat approval.
4. A lot line adjustment creating the parcel requested for the zoning change shall be recorded prior to submittal of the preliminary plat.
5. If any conditions, one through four above, cannot be met or the applicant does not have an approved Final Plat within two (2) years of the approval date of the zoning change, then the R1-6 rezoning may revert to the original R1-175 zoning, pending Council Action.

**Re: Citizens Participation Report for Payson Pines Phase 3.  
Project No. 6378.0003**

Dear Ray:

As part of the rezoning application process for Payson Pines Phase 3, Payson Development Group L.L.C. and Tetra Tech Inc. conducted a Citizens Participation Meeting on January 11, 2005, at 6:00 P.M., in the Tetra Tech conference room at 431 S. Beeline Highway in Payson.

On December 23<sup>rd</sup>, 2004, Tetra Tech sent by mail a notice to all property owners within a 300' radius of the proposed project with an invitation to attend the meeting for the purpose of discussing concerns and issues related to the project. Of the seventy-seven notifications sent, nine returned as undeliverable. A copy of the meeting notice, the 300' radius notification exhibit, the 11X17" plan exhibit, and the undelivered notifications is included with this report. A copy of the mailing labels is also included.

Ten citizens attended the meeting. Participants received a comment form after signing in. A copy of the meeting sign-in sheet and the completed comment forms is included with this report. Ralph Bossert of Tetra Tech Inc. and Mike Horton of Payson Development Group L.L.C. presented an overview of the project and the rezoning application process.

Mr. Horton described the project as a subdivision divided into 2 portions. The R1-6 portion of the project is 35 lots with an average lot size of 6,414 square feet, and matching the residential character of the adjacent Payson Pines and Payson Ranchos neighborhoods. The R3-PAD portion of the project provides 29 units of multi-family housing and serves as a transitional buffer between these residential areas and the C-2 zoned Home Depot property. The PAD designation provides for additional open space and design flexibility.

Participants then had an opportunity to ask questions and express concerns about issues and problems related to the project. One concern being additional traffic generated by the project and the other being additional water demand. Mr. Bossert explained that according to the Town of Payson Transportation Study, the traffic generated by the project fell within the arterial capacity parameters of McLane and Houston Mesa roads.

**TETRA TECH, INC.**

Ray Erlandsen  
Town of Payson  
January 19, 2005  
Page 2

Additionally, Mr. Bossert explained that Tetra Tech Inc. and the developer would work with the Town Engineers Office to ensure proper roadway design and safe, efficient access/egress to and from the project site. Several citizens mentioned concerns about existing traffic problems in the area, including speeding by non-residents and stop sign violations. Mr. Horton offered to pass those concerns along to the Town in this report.

Some participants voiced concerns over water demand. They felt that the Town should insure that adequate water was available and that Payson needed to solve its water supply issues. Some mentioned disagreement with having their water usage restricted while new development continued to add pressure to the water supply system. Mr. Horton explained that the developer understood the necessity of bringing additional water to the Town and considered water as the main condition of this Rezoning.

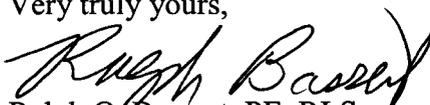

Another concern with the project had to do with the number of units proposed. A few people felt that the project provided too many units and that a rezoning for larger lot sizes would make the project more desirable. Others expressed the need for affordable housing development and felt that the combination of R1-6 and R3 zoning provided for relatively affordable housing opportunities needed by the community. At least one attendee described the project as "wonderful".

One neighborhood resident stated that raccoons were coming from the property to be rezoned and were causing damage to his garden and yard. Mr. Horton suggested that with the development in place the raccoon population might be less likely to continue the damage to the resident's lawn and garden.

At the conclusion of the presentation, Tetra Tech staff collected comment forms from the attendees. Two participants elected to fill out comment forms. These comment forms are included with this report along with all letters received by citizens unable to attend the meeting. Several citizens mentioned that they had a better understanding of the project and felt the meeting to be productive and informative. In addition, Mr. Horton had received three telephone calls from residents seeking information about the development. None of the callers indicated any opposition to the development. The meeting concluded at approximately 7:00 P.M.

Please feel free to contact us with any questions or comments you may have concerning the Citizens' Participation Meeting or this report.

Very truly yours,

  
Ralph O. Bossert, PE, RLS

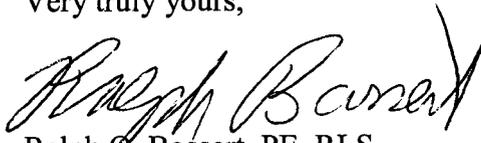

# NOTICE OF CITIZEN PARTICIPATION MEETING

Re: Proposed Subdivision at 2009 N. McLane Rd . and 215 W. Houston Mesa Rd.  
Request to rezone 12.4 acres from R1 to R1-6 and R3 PAD for purpose of  
subdividing 64 lots.

Dear Property Owner:

You are hereby notified of a Citizen Participation Meeting to be held on Tuesday, January 11, 2005, at 6:00 p.m. at Tetra Tech, Inc.'s conference room, located at 431 South Beeline Highway, in Payson, AZ. The purpose of the meeting is to provide information to property owners adjacent to subject property regarding the proposed subdivision. An 8-1/2x11 copy of the Preliminary Site Plan is attached. If you cannot attend the meeting and/or have questions regarding the proposed subdivision, please call Michael Horton (928-474-2554) or me.

Very truly yours,

Ralph C. Bossert, PE, RLS  
Senior Project Manager  
Tetra Tech, Inc.

## LEGAL DESCRIPTION MOGOLLON RIDGE PHASE 1

A portion of Parcel 1 of Government Lot 1 of Section 27 as shown on Map 2680 Gila County Records, and a portion of Government Lot 5 of Section 28, all in Township 11 North, Range 10 East of the Gila and Salt River Meridian, Gila County, Arizona, being more particularly described as follows:

Commencing at the northeast corner of Parcel 1 of said Government Lot 1;

- Thence: N 89°58'51" W along the north line of said Parcel 1, 116.49 feet to the TRUE POINT OF BEGINNING;
- Thence: Along a tangent curve to the left, concave to the southeast, having a radius of 12.00 feet, and a central angle of 90°00'00" for a curve length of 18.85 feet;
- Thence: S 00°01'09" W, 30.56 feet;
- Thence: Along a tangent curve to the right, concave to the west, having a radius of 180.00 feet and a central angle of 15°00'00" for a curve length of 47.12 feet;
- Thence: S 15°01'09" W, 338.01 feet;
- Thence: Along a tangent curve to the left, concave to the east, having a radius of 120.00 feet and a central angle of 15°01'16" for a curve length of 31.46 feet;
- Thence: S 00°00'07" E, 71.41 feet;
- Thence: Along a tangent curve to the left, concave to the northeast, having a radius of 12.00 feet and a central angle of 80°24'21" for a curve length of 16.84 feet;
- Thence: S 00°00'07" E, 50.17 feet;
- Thence: S 89°59'53" W, 199.30 feet;
- Thence: Along a tangent curve to the right, concave to the north, having a radius of 135.00 feet, and a central angle of 22° 38' 40" for a curve length of 53.35 feet;

Thence: S 10<sup>0</sup> 11' 35" W, 110.15 feet;  
Thence: S 89<sup>0</sup> 59' 53" W, 30.00 feet to a point on the southwesterly line of said Government Lot 5;  
Thence: N 40° 46' 14" W along the southwesterly line of said Government Lot 5, 567.48 feet;  
Thence: N 24° 43' 08" E, 42.97 feet;  
Thence: Along a tangent curve to the left, concave to the west, having a radius of 490.00 feet, and a central angle of 17 22' 33" for a curve length of 148.60 feet;  
Thence: N 07° 20' 35" E, 68.21 feet to a point on the north line of said Government Lot 5;  
Thence: S 89° 56' 58" E along the north line of said Government Lot 5, 520.60 feet to the northeast corner of said Government Lot 5, said point also being the northwest corner of Parcel 1 of said Government Lot 1;  
Thence: S 89° 58' 51" E along the north line of Parcel 1 of said Government Lot 1, 183.06 feet to the TRUE POINT OF BEGINNING.

Said parcel contains 8.20 acres.

PROPOSED SUBDIVISION  
PAYSON PINES PHASE 3

CITIZEN'S PARTICIPATION MEETING

January 11, 2005

NAME Lori Meyers

ADDRESS 322 W. Corral Dr.

PHONE NUMBER 474-3869

COMMENTS:

My main objection to this or any new project is water. We have not solved our water problem here in Payson yet. Until this issue is resolved we should hold off on building before we end up like Pine. I do not like being told that I have to water only on certain days while more and more homes are being built. My second objection would be that there is no buffer zone between my back yard and the new proposed lot. What kind of fence will these people be required to put up? Also why can't the common area be reconfigured and a small buffer zone of ~~area~~ ~~area~~ common area behind all the homes on Corral Drive and the new Subdivision?

3 Jan 05

Mr. Ray Erlandsen  
Zoning Administrator, Town of Payson  
303 N. Beeline Highway  
Payson AZ 85541

Dear Mr. Erlandsen,

As home owners of 2014 N. McLane Road,  
we object to the proposed subdivision of  
"Payson Pines Phase 3" at 2009 N. McLane  
Road & 215 W. Houston Mesa Road for two  
reasons:

(1) Payson is under severe water usage.  
All businesses & residents are being asked  
or told to restrict the use of water so  
that it will not be necessary to ration  
water in the future.

(2) Vehicular traffic will increase sub-  
stantially by the residents of the 64 lots.  
Currently, N. McLane traffic is bad enough  
due to speeding by non-residents. We see  
no need to make matters worse.

We will not be able to attend the scheduled  
meeting on 11 Jan 05. You may use this letter  
at the meeting.

Sincerely,

Clifford W. Straitor

Ruth T. Straitor

Town of Payson zoning Administrator

Dear Mr. Erlandson,

Re: Proposed subdivision at 2009 N. McLane  
Road & 215 W. Houston Mesa Road

Please be informed, that as concerned  
residents of Payson Pines, we are not  
in favor of the rezoning planned  
by Tetra Tech, inc; and addition  
of subdividing 64 lots.

Lack of sufficient water should be  
a major concern - We are already  
restricted to certain days we can water  
our garden - even the hours we can  
water - can't hose sidewalks, driveways  
etc. Needless to say we are all  
happy to conserve water but how

Can we add additional homes in  
an area already so restricted to water  
use?

Also, the traffic on McLane is  
already heavy - what would it be  
with 64 more units!

Sincerely, The Stones

CC:

Mr. Ralph Bossert, PE, RLS  
Project Mgr. of Tetra Tech, Inc.

*Jan 12, 2005*

Zoning Administrator  
Town of Payson, Az. 85541

Attn: Ray Erlandsen

Dear Mr. Erlandsen, My husband and I, Glenda and Robert Roark, reside at 313 W. Houston Mesa Rd. from approximately the end of March to October 15th. I am responding to the notice we received in the mail re; a preliminary hearing on the proposed Payson Pines 3 development. I spoke with Ralph Bossert yesterday, Tuesday, January 11th and he explained the project map.

We strongly oppose the project mainly because of the increased traffic. The traffic on McLane and the corner of W. Houston Mesa Rd. is outrageous. As a matter of fact, if the town of Payson needed additional income, the traffic violations of speeding and rolling stop signs would bring in quite a sum, however, the town of Payson doesn't seem to have enough police to cover that area. I think one solution would be to consider closing McLane at the end of the existing Payson Pines development, therefore ensuring those residents in the Payson Ranchos area and south exit to the Beeline Hwy via. Round-up or Airport Rd.

Therefore, this letter is to express our objection as it is proposed.

cc. Ralph Bossert  
Michael Horton  
Payson City Manager  
Payson Police Dept.

Yours truly,  
Glenda A. Roark  
Robert L. Roark

November 11, 2005

Ladies and Gentlemen of the Zoning Commission:

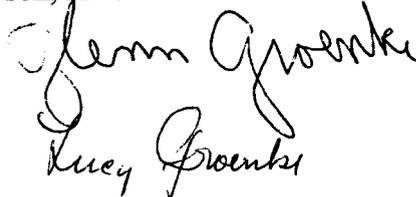

Speaking as Payson Pines residents who live on Houston Mesa Road and overlook the proposed Horton development site between Home Depot and McLane Road, we would like to voice our displeasure with the plan.

We already have faster than legal traffic zooming past our house and huge delivery trucks using McLane and Houston Mesa to enter Home Depot's Houston Mesa entrance. There has been a large increase in the number of large delivery vehicles using the Airport Road to McLane to Houston Mesa route to the Home Depot. Not only do they add to the already fast traffic, but they often require wider than normal turning space to make the turn east onto Houston Mesa. To add to that the traffic generated by 35 houses planned in that area is just, in our opinion, not a rational traffic decision.

Further, to build 35 houses on 8 ½ acres, subtracting the footage necessary for streets and easements will add to the congestion on an already overburdened infrastructure. This in addition to the drainage problem that will be created with the runoff from the roofs and streets in that development. The sewers and ditches have difficulty handling the runoff which already exists.

We are strongly opposed to the proposed density of this proposed development.

Glenn and Lucy Groenke

RE: Agenda Item For Monday - November 14, 2005

1. We wish to urge you to not allow a zoning change on Mr. Horton's request. In our opinion this is absolutely one of the worst things that can occur, at this time, for our (your) town.
2. The legality of the request is not a concern or an issue in our opinion. We are sure the letter of the law has been met in regard to the request. That is not the issue.
3. The "division" of our town over this water issue should be of utmost concern for each of you. It should never arrived at this point and, unfortunately, you are all now on the hot seat.
4. This request can come before you "down the road" once the outcome of legal issues still to be resolved are known. In addition, please know that many of us strongly oppose this change in the zoning in, and of, itself.

We urge you to vote in the negative on this request. Thank you.

Handwritten signatures of Bruce and Carolyn Wilson.
