The necessity for the proposed addition to the District is planning and accomplishing of sanitary improvements as provided by law and the operation and maintenance of said improvements. Said boundaries are delineated on the plat attached hereto, which also indicates the approximate area of the addition to the District.

A general outline of the proposed improvements consists of the planning and construction of certain sanitary facilities to serve the area and provide for the operation and maintenance thereof, suitable for the needs of the addition to the District either in one or more proceedings as the need therefore may arise.

The existing, duly elected, Board of Directors of the Northern Gila County Sanitary District shall, upon formation of this addition, become the governing body for this addition.

Petitioners pray the Town Council set this petition for hearing, direct notice to be given to interest property owners and upon the hearing, after consideration of any objections that may be made, pass a resolution declaring its findings, establishing the boundaries and declaring approval of the addition to the Sanitary District.
