

ORDINANCE NO. 704

AN ORDINANCE OF THE MAYOR AND COMMON COUNCIL OF THE TOWN OF PAYSON, ARIZONA, AMENDING THE OFFICIAL ZONING MAP FOR THE TOWN OF PAYSON, AMENDING ORDINANCE NO. 466 AND AMENDING THE ZONING CODE FOR THE TOWN OF PAYSON BY REZONING CERTAIN REAL PROPERTY GENERALLY LOCATED AT 500 SOUTH RIM CLUB PARKWAY, BEING GILA COUNTY ASSESSOR'S PARCEL NUMBER 304-01-331B, AS MORE PARTICULARLY DESCRIBED ON EXHIBIT "A" ATTACHED HERETO, FROM R1-175 TO R1-18 (REZONING OF 500 SOUTH RIM CLUB PARKWAY).

WHEREAS, the Town of Payson from time to time amends its Official Zoning Map and Official Zoning Code for the purpose of accommodating zoning changes; and

WHEREAS, Application No. P-331-06 to amend the Official Zoning Map and Official Zoning Code has been made by Chris and Gina Perkes, property owners to the Planning and Zoning Commission and the Town Council; and

WHEREAS, the Planning and Zoning Commission held a public hearing on December 11, 2006, considered the issues, and made recommendation on Application No. P-331-06 to the Town Council; and

WHEREAS, the Town Council held a public hearing on January 18, 2007, in regard to said Application No. P-331-06 and has considered the issues relating thereto,

NOW, THEREFORE, IT IS HEREBY ORDAINED BY THE MAYOR AND COMMON COUNCIL OF THE TOWN OF PAYSON, ARIZONA, AS FOLLOWS:

Section 1. Ordinance No. 466 of the Town of Payson, the Official Zoning Map for the Town of Payson and the Zoning Code for the Town of Payson be and each is hereby amended to establish a zoning district of R1-18 for that portion of the certain real property located at 500 S. Rim Club Parkway, Gila County Assessor's Parcel Number 304-01-331B, more particularly described on Exhibit "A" attached hereto and made a part hereof by this reference (the "Property").

Section 2. That the requested rezoning and the use and density of the Property as proposed by Application No. P-331-06 is hereby made contingent upon those conditions set forth in Section 3 below, and is consistent with the General Plan of the Town of Payson, as required by A.R.S. § 9-462.01(F).

Section 3. The foregoing change in zoning shall be and is hereby specifically made contingent upon and conditional upon each of the following:

- A. Development on the Property shall comply with the Town of Payson water requirements.

- B. The development shall be in substantial conformance with the Rezoning Site Plan, stamped December 4, 2006 and shall not exceed a total of 20 lots.
- C. A note shall be added to the final plat stating: "Hillside preservation areas shall not be disturbed in any manner except for defensible space thinning/maintenance. Any accessory structures, including fences, shall be located within the designated building envelopes. Driveway widths outside the building envelope on all lots shall be limited to a maximum of 14 feet wide unless a greater width is needed to meet Fire Department requirements."
- D. The developer shall provide adequate sanitary facilities, depicted in the Improvement Plans, which are acceptable to the Northern Gila County Sanitary District, and be properly annexed into the Northern Gila County Sanitary District prior to Final Plat approval.
- E. Storm water detention/retention shall be provided in accordance with the Town of Payson Requirements, or the developer shall provide written confirmation that the down stream property owners have agreed to accept the increased peak runoff flows in accordance with the Town requirements.
- F. If a subdivision sign is planned, a sign easement shall be created on the lot where the subdivision sign will be placed.
- G. Jeff Vaughn Homes, as developer of the property, shall make an affordable housing contribution as outlined in its December 24, 2006 letter to the Town of Payson.
- H. An 8' wide asphalt fitness path will be constructed along the west side of South Rim Club Parkway to eventually connect with the proposed Tyler Parkway pathway.
- I. An 8' wide pedestrian easement shall be established (potentially between lots 8 & 9) connecting the Tonto National Forest to the local street.
- J. If any conditions in this Section 3 cannot be met or the applicant does not have an approved Final Plat within two (2) years of the approval date of the zoning change, then the R1-18 rezoning may revert to the original R1-175 zoning, pending Council action.

Section 4. Pursuant to A.R.S. §19-142 and §30.54 of the Code of the Town of Payson, this ordinance shall not become operative until 30 days after its passage.

Section 5. All ordinances and parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed to the extent of such conflict.

**PASSED AND ADOPTED BY THE MAYOR AND COMMON COUNCIL OF THE TOWN OF PAYSON** this \_\_\_\_ day of \_\_\_\_\_, 2007, by the following vote:

**MEMO**

**TO:** Mayor and Council

**THROUGH:** Fred Carpenter, Town Manager

**FROM:**  Jerry Owen, Community Development Director

**DATE:** January 18, 2007

**SUBJECT:** Ordinance 704 - P-331-06; 500 South Rim Club Parkway Rezone

Chris and Gina Perkes are requesting the rezoning of an 11 acre parcel along Rim Club Parkway from R1-175 to R1-18 to allow the development of a 20 lot single family subdivision. The Planning and Zoning Commission reviewed this request on December 11, 2006 and unanimously recommended approval to the Town Council. Attached is the letter from Jeff Vaughn Homes outlining their contribution to Payson Area Habitat for Humanity in accordance with the condition listed in Section 3 G. of the Ordinance 704. Also attached is the complete Planning and Zoning Commission staff report for your review.

Jeff Vaughn Homes  
HC 3 Box 618 Payson, AZ 85541  
928-472-6556

December 24, 2006

To the Town of Payson,

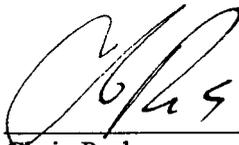

Chris Perkes and Jeff Vaughn of Jeff Vaughn Homes hereby submit the following proposal as their affordable housing contribution in the development of the 500 block of S. Rim Club Parkway.

Upon final approval by the Town of Payson of rezoning to R1-18 from R1-175, preliminary plat, and final plat of a 20 unit subdivision located on the above stated property, Chris Perkes and Jeff Vaughn shall commit to contribute a total value of \$75,000 to Payson Area Habitat for Humanity.

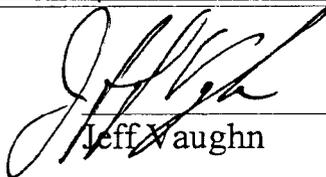

The above stated contribution shall be determined by mutual agreement of all parties in any one or combination of the following methods.

1. Construction supervision of the first four units of the proposed Habitat for Humanity project located in the 800 block of W. Longhorn Road.
2. Provide professional construction personnel to complete the roof framing on the first four units of the above stated project in the 800 block of W. Longhorn Road.
3. Cash contribution to Payson Area Habitat for Humanity

Chris Perkes, Jeff Vaughn and Payson Area Habitat for Humanity shall, prior to final plat approval, submit to the Town of Payson a signed agreement outlining the method or methods of implementation of this contribution.

  
Chris Perkes                      12/26/06  
Date

Jeff Vaughn                      12-26-06  
Date

P-331-06 – Conditions of Rezoning – 500 South Rim Club Parkway

1. Development on this property shall comply with the Town of Payson water requirements.
2. The development shall be in substantial conformance with the Rezoning Site Plan, stamped December 4, 2006 and shall not exceed a total of 20 lots.
3. A note shall be added to the final plat stating: "Hillside preservation areas shall not be disturbed in any manner except for defensible space thinning/maintenance. Any accessory structures, including fences, shall be located within the designated building envelope. Driveway widths outside the building envelope on all lots shall be limited to a maximum of 14 feet wide unless a greater width is needed to meet Fire Department requirements."
4. The developer shall provide adequate sanitary facilities, depicted in the Improvement Plans, which are acceptable to the Northern Gila County Sanitary District, and be properly annexed into the Northern Gila County Sanitary District prior to Final Plat approval.
5. Storm water detention/retention shall be provided in accordance with the Town of Payson Requirements, or provide written confirmation that the down stream property owners have agreed to accept the increased peak runoff flows in accordance with the Town requirements.
6. If a subdivision sign is planned, a sign easement shall be created on the lot where the subdivision sign will be placed.
7. Prior to Council consideration of this zoning request, the applicant shall submit (1) a written proposal outlining their contribution to affordable/workforce housing and (2) a contract between PAHH and the developer.
8. An 8' wide asphalt fitness path will be constructed along the west side of South Rim Club Parkway to eventually connect with the proposed Tyler Parkway pathway.
9. An 8' wide pedestrian easement shall be established (potentially between lots 8 & 9) connecting the National Forest to the local street.

---

10. If any conditions, one through nine (9) above, cannot be met or the applicant does not have an approved Final Plat within two (2) years of the approval date of the zoning change, then the R1-18 rezoning may revert to the original R1-175 zoning, pending Council action.

## Staff Report Planning and Zoning Commission

Project Title: 500 S. Rim Club Parkway – Rezone R1-175 to R1-18

P-331-06

Planning & Zoning Commission Meeting Date: December 11, 2006

### Description:

Location: 500 S. Rim Club Parkway  
Site size: 11.01 acres  
Current Zoning: R1-175  
Lot sizes: 0.41± acres (18,029± sq. ft.) to 0.72± acres (31,177± sq. ft.) lots.  
No. of homes: 20 single family homes.  
Estimated cost of homes: Unknown at this time.

**Action Requested:** Zone change from R1-175 to R1-18

### Neighborhood Involvement

A Citizens Participation Meeting was held on August 31, 2006. According to the Citizens Participation Report, 8 citizens attended the meeting. Six signed the sign-in sheet. One provided written comment which is attached.

General comments/inquiries included the following:

1. How many workforce housing units were being proposed?
2. How many stories would these homes be and whether split level or “flats.”?
3. Where is water coming from for this project?
4. Whether a sidewalk on S. Rim Club Parkway would be required?

### Community Benefits

Affordable Housing - See Analysis section.

#### Recreation –

1. Each home will pay the \$647 parks impact fee with issuance of the building permit.
2. An 8' wide pedestrian pathway will be constructed along the west side of S. Rim Club Parkway to eventually connect with the “loop” pathway.

Streets - The development will include a new street connecting to S. Rim Club Parkway.

Forest Access – Staff recommends a pedestrian easement be established (potentially between Lots 8 and 9) connecting the National Forest to the local street.

Cultural/Historical Features – None noted.

### Community Development & Engineering Assessment

Compatibility with adjacent zoning districts: Compatible.

Drainage: Meets requirements.

#### General Plan Conformance:

1. Natural landscaping preservation - Building envelopes have been identified in order to maximize existing natural vegetation and features.
2. Trail Access - The development should provide a dedicated access to the National Forest.

Fire Safety: Meets requirements.

Water:

1. Source - Town of Payson.
2. Estimated Usage - 1 Equivalent Residential Unit (ERU) per residence.

Engineering:

Attached are comments provided by LaRon Garrett, Public Works Engineer:

1. S. Rim Club Parkway shall be upgraded to a minimum of 12' wide asphalt, measured from the roadway centerline, and a 2' wide ribbon curb. These improvements shall extend across the frontage of the project.
2. Storm water detention/retention shall be provided in accordance with the Town of Payson Code.
3. It appears that some of the lots will be considered Hillside Lots and will have to meet all Hillside requirements.
4. Water pressure along Rim Club Parkway is inadequate to serve this property. Water supply shall come from the high pressure line in the Whisper Ridge Subdivision or construct a new water booster station.
5. Meet all standard development requirements of the Town of Payson.
6. Additional comments may be forthcoming as additional information becomes available.

**Analysis**

The applicant is requesting approval of a zone change from R1-175 to R1-18 for the proposed development of a 20 residential lot subdivision on 11.01 acres yet to be named.

The Land Use Element (Chapter 3) of the Town of Payson General Plan, designates this property for Low Density residential development. As the net density proposed is .55 dwelling units per acre, the proposed R1-18 zoning district would be appropriate and meets the general criteria of the Land Use Element.

The applicant has verbally committed to contribute to affordable/workforce housing through an agreement with Payson Area Habitat for Humanity (PAHH) in which the developer shall provide construction management for the first four units of PAHH's Longhorn town home project at 801 W. Longhorn Road.

As per Arizona Revised Statutes, construction of this multi-family project requires a licensed contractor. To satisfy that requirement the applicant and PAHH are working on an agreement in which the developer will donate his services as the qualified party for four town home units. The applicant has agreed to provide the Town with a written description of this agreement, which shall include the estimated value of the contribution and implementation guidelines and conditions. Prior to Council consideration of this zoning request, the applicant shall submit (1) a written proposal outlining their contribution to affordable/workforce housing and (2) a contract between PAHH and the developer.

Public sanitary facilities would be required for R1-18 zoning. The property is not currently within the Northern Gila County Sanitary District, and would have to be annexed prior to approval of the Final Plat.

**Staff Recommendation**

~~Recommendation: Approval with conditions listed below.~~

1. Development on this property shall comply with the Town of Payson water requirements.
2. The development shall be in substantial conformance with the Rezoning Site Plan, stamped December 4, 2006 and shall not exceed a total of 20 lots.
3. A note shall be added to the final plat stating: "Hillside preservation areas shall not be disturbed in any manner except for defensible space thinning/maintenance. Any accessory structures, including fences, shall be located within the designated building envelope. Driveway widths outside the building envelope on all lots shall be limited to a maximum of 14 feet wide unless a greater width is needed to meet Fire Department requirements."
4. The developer shall provide adequate sanitary facilities, depicted in the Improvement Plans, which are acceptable to the Northern Gila County Sanitary District, and be properly annexed into the Northern Gila County Sanitary District prior to Final Plat approval.

5. Storm water detention/retention shall be provided in accordance with the Town of Payson Requirements, or provide written confirmation that the down stream property owners have agreed to accept the increased peak runoff flows in accordance with the Town requirements.
6. If a subdivision sign is planned, a sign easement shall be created on the lot where the subdivision sign will be placed.
7. Prior to Council consideration of this zoning request, the applicant shall submit (1) a written proposal outlining their contribution to affordable/workforce housing and (2) a contract between PAHH and the developer.
8. An 8' wide pedestrian pathway will be constructed along the west side of S. Rim Club Parkway to eventually connect with the proposed Tyler Parkway pathway.
9. If any conditions, one through eight (8) above, cannot be met or the applicant does not have an approved Final Plat within two (2) years of the approval date of the zoning change, then the R1-18 rezoning may revert to the original R1-175 zoning, pending Council action.

**Suggested Motion to recommend Approval:**

"I move the Planning & Zoning Commission recommend to the Town Council approval of P-331-06, a request to rezone a 11.01 acre property located at 500 S. Rim Club Parkway from R1-175 to R1-18 for the purpose of a 20 lot single family development with the nine conditions listed in the staff report."

Dear Mr. Erlandsen:

We have reviewed the proposal to rezone a proposed site plan for 500 S. Rim Club Parkway for a zone change from R1-175 to R1-18. There is no apparent conflict with the redevelopment of this property with management of the adjoining National Forest land.

We appreciate the opportunity to respond to this proposal.

Sincerely,

**Re: Citizens Participation Report for 500 South Rim Club Parkway.**

Dear Mr. Erlandsen:

The purpose of this citizens' participation report is to inform you that as part of a rezoning application for a 20-lot, single-family residential subdivision, Tetra Tech Inc. and Jeff Vaughn Homes conducted a citizens' participation meeting on Thursday, August 31, 2006, at 1:30 P.M., in the conference room at Tiny's Restaurant in Payson.

On August 10, 2006, Tetra Tech, Inc. sent by mail a notice to all property owners within a 300' radius of the proposed project (as provided by the Community Development Department), with an invitation to attend the meeting for the purpose of discussing concerns and issues related to the project. A copy of the meeting notice, the 300' radius notification exhibit, and the 81/2"x11" plan exhibit are included with this report. A copy of the mailing labels is also included.

Eight citizens attended the meeting. Participants received a comment request form after signing in. A copy of the meeting sign-in sheet and any returned comment request forms are included with this report.

I presented an overview of the project and the preliminary plat application process. The project consists of 20 single-family residential lots on 11.01 acres. The project is located at 500 S. Rim Club Parkway in Payson and is currently zoned "R1-175". The project borders "R1-175" zoned property to the south and west, "R1-12-PAD" zoned residential property (The Rim Club) to the east, and "R1-18-PAD" zoned property (Whisper Ridge) to the north. Primary access to the project is from S. Rim Club Parkway.

Mr. Ray Erlandsen, Zoning Administrator

October 24, 2006

Page 2

After the presentation, Mr. Hughes (the client representative) and I, invited the participants to ask questions and express concerns about the project. The following is an abbreviated overview of the questions and concerns mentioned by the participants, along with the developers responses. This inclusion of issues is not to be represented as a comprehensive list of all things discussed at the meeting. The supplied responses are "to the best of the facilitator's knowledge", and not intended to represent absolute fact or endorsement by the Town of Payson or any other entity, including Tetra Tech, Inc.

The citizen participants mentioned the following issues, questions, and concerns during the meeting and in the returned comment request forms:

**1. How many work force housing units are being proposed for this project?**

In response to this question, the participants were told that rather than proposing "on-site" affordable housing units within the project, the developer would work with the Town to propose a work-force housing contribution.

**2. Would these homes be one-story or two-story units?** In response to this question, the developer said that the proposed homes would be single-story or split-level "walk-outs".

**3. Several participants wanted to know where the water for this development is to come from.** In response to this, the citizens were informed that the projects of 20 units or less are exempted from bringing a new water source to the town. This project will use town water.

**4. At least one person wanted to know if a sidewalk on S. Rim Club Parkway adjacent to the project boundary would be required.** In response to this question, the developer believes that a sidewalk would most likely be required by the Town.

---

At the conclusion of the meeting, Tetra Tech staff collected comment forms from the attendees. One participant elected to fill out a comment form. The returned comment form is included with this report. The meeting concluded at approximately 2:30 P.M.

Please feel free to contact me with any questions or comments you may have concerning our Citizens' Participation Meeting or this report.

~~PROPOSED CONDOMINIUM DEVELOPMENT~~  
500 S. Rim Club Drive  
CITIZEN'S PARTICIPATION MEETING

August 31, 2006

NAME STEVE CANTRIM  
ADDRESS 406 S. WHISPER RIDGE, PAYSON  
PHONE NUMBER 472-9437

COMMENTS:

I think that an R1-18 zoned 20 LOT subdivision next to my neighborhood - which is WHISPER RIDGE - I would compliment OUR ~~new~~ neighborhood.

I have no concerns or objections and favor the subdivision.
