Dear Mr. Mayor,

Please accept this as my official notice of resignation from the board of the Green Valley Redevelopment Authority. Unfortunately my schedule of activities precludes me from involvement.

I appreciate the opportunity to serve and I remain open to consults and requests for advice where I may be helpful. I will miss the interaction with this board. They are great people that are really concerned with accomplishing the mission of improving the area for the people and for building the business and tax base.

Respectfully Yours,

John Landino
