

SUMMARY OF AGENDA ITEM

DATE: March 19, 2007

TO: Mayor and Council

FROM:  Jerry Owen
Community Development Director

SUBJECT: Ordinance #711 1002 W. Airport Road – P-316-05
Rezone from R1-175 to M-2

PURPOSE:

A request from Town staff to amend the zoning map from R1-175 to M-2 at 1002 W. Airport Road to accommodate current and future use of this site as a General Industry district.

SUMMARY:

This case is a request by the Town of Payson for a zone change from R1-175 to M-2 to accommodate the current and future land uses at the Town's Maintenance Facility. The site is bordered by the Payson Airport to the north, R1-175 National Forest land to the west, R1-175 state land to the to the east. Airport Road separates the site from the R1-8 property, proposed single-family residential subdivision to be called Falcon Lookout on the south. The existing Town owned site is approximately 25.11 acres.

The Land Use Element (Chapter 3) of the Town of Payson General Plan designates this property as Employment area. The proposed M-2 zoning designation meets the intent of the Land Use Element.

No infrastructure improvements are planned for the site as it abuts the recently improved section of W. Airport Road. There are no current plans for further improvements on the site. Any future development would be subject to applicable codes and ordinances in effect at the time improvements are to be constructed.

Public sanitary facilities are currently being utilized.

The Planning & Zoning Commission recommended approval to the Town Council of the rezoning (P-316-07) for 1002 W. Airport Road, from R1-175 to M-2, at a public hearing on March 12, 2007 on a 7-0 vote subject to the following condition:

- * Any future improvements and/or uses shall be subject to all development standards, codes and ordinances in effect at the time improvements are constructed.
