Dear Mr. Carpenter:

We had requested the renewal of our off-track permit for our facility at Famous Sam's earlier this year. It is my understanding that it appeared on the February 15, 2007 council agenda and failed due to a lack of a motion. I apologize that I was not there to address the council. I would be deeply grateful if the item could be added to the next agenda for consideration. I will be there to answer any questions. Thank you.

Sincerely,
