RESOLUTION/ORDINANCE # 2281

TITLE: ARESOLUTION OF THE MAYOR AND COMMON COUNCIL OF THE TOWN OF PAYSON, ARIZONA ACCEPTING A DRAINAGE EASEMENT FROM RONALD E. PEACOCK

PURPOSE:

To accept a drainage easement in the vicinity of Aero Drive and Ash Street to allow Town Crews to install underground storm drain to address a drainage issue.

SUMMARY OF CHANGES TO ACCOMPLISH THIS PURPOSE:

Provide Town personnel the right to install and maintain an underground storm drain system on private property.

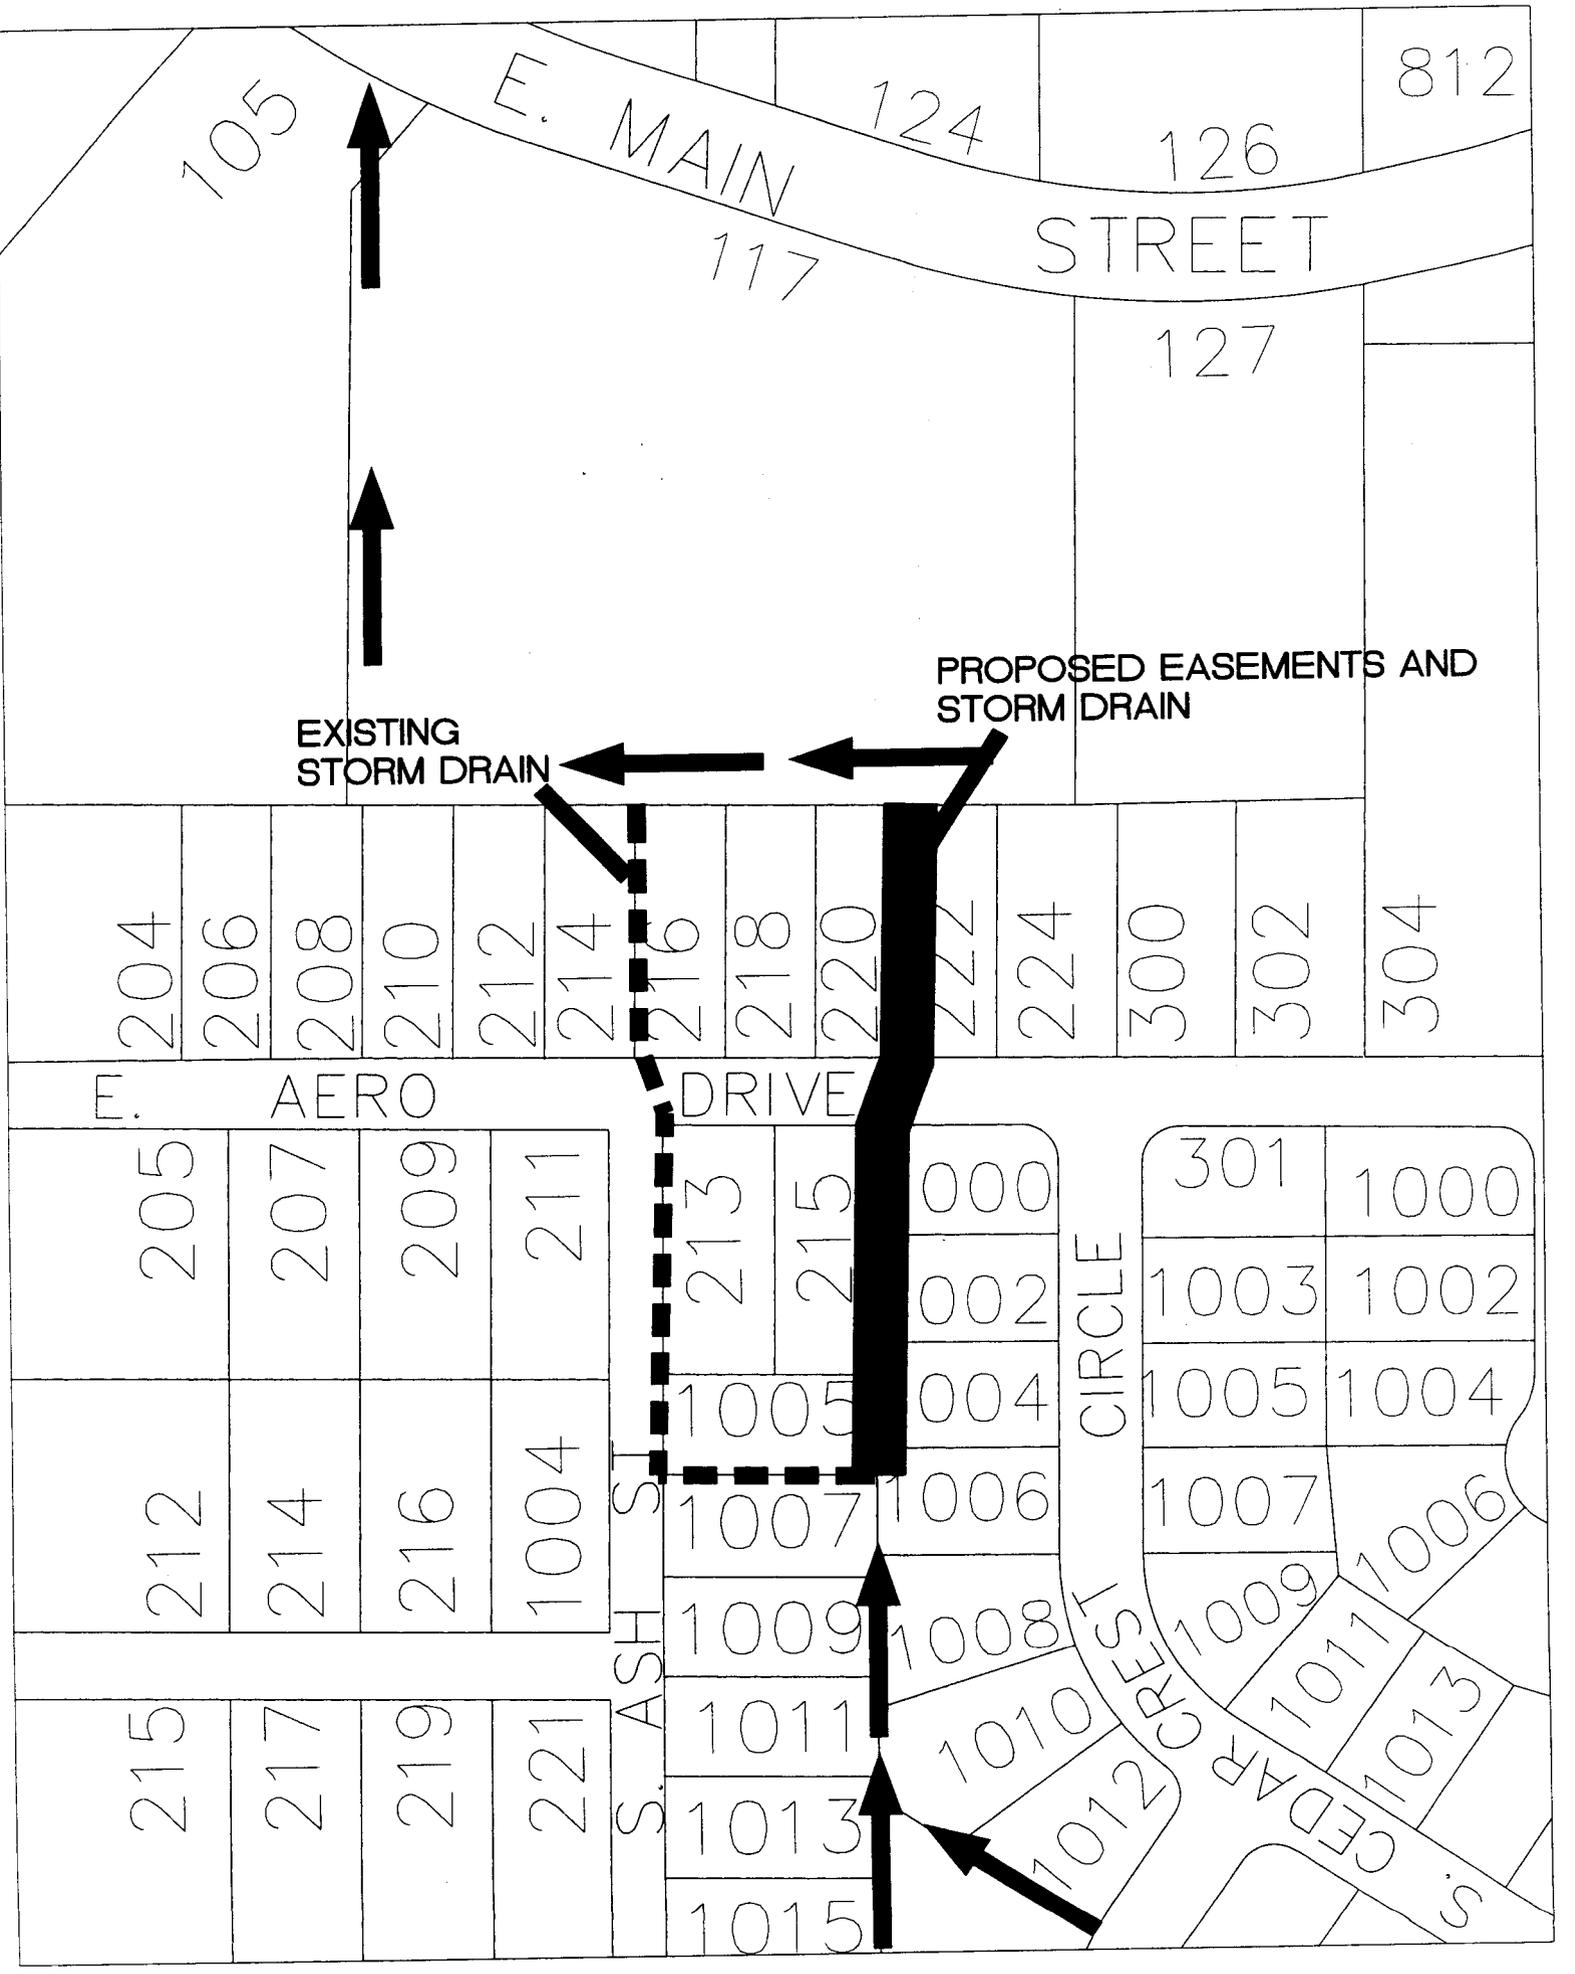

RECOMMENDED COUNCIL ACTION:

Approval of this Resolution

BACKGROUND:

For some time there has been a drainage issue in the vicinity of E. Aero Drive and S. Ash Street. Drainage from the Pinon Ridge and Elk Ridge subdivision flows through a natural drainage channel along the rear of several lots along Ash Street. Several years ago a private property owner attempted to address this issue by installing a pipe from the rear of their lot to Ash Street so the water could flow down Ash Street to Aero. Subsequently, they built a garage over the pipe. Unfortunately, this pipe is way undersized and cannot accommodate the flows in that area, causing this lot and others to flood at times. These easements will allow the Town to install underground storm drain from the entrance of the undersized pipe, continuing along the rear of adjacent lots, across Aero and into a channel that has been designed to accommodate these flows. Ultimately, these flows will still empty at E. Main Street and Highway 87 just as they do today.
