APR 23 2008

Town of Payson

This letter is a formal notice of my resignation from the Housing Advisory Commission, effective April 24<sup>th</sup>, 2008.

It has been a great honor to serve the Town of Payson on the commission. I believe that we have made good progress in taking the first needed steps in addressing the current and future housing issues of our town.

I encourage all present and future commissioners to continue their much needed efforts in addressing work force and affordable housing issues for the betterment of Payson and all of its residents.

Thank you,

Michael Hughes
