Dear Mayor and Council,

As you may know the plans for our new facility have been delivered to the Planning and Zoning department.

There is a \$2500 review fee associated with the process of which we understand you have the right to waive.

As a non – profit organization that provides a vital service to the members of this community we respectfully ask you to waive this fee.

Thank you for your consideration of this request.

Respectfully,  
Payson Humane Society Building Committee
