

ORDINANCE NO. 763

AN ORDINANCE OF THE MAYOR AND COMMON COUNCIL OF THE TOWN OF PAYSON, ARIZONA, AMENDING THE OFFICIAL ZONING MAP FOR THE TOWN OF PAYSON, AMENDING ORDINANCE 466 AND AMENDING THE ZONING CODE FOR THE TOWN OF PAYSON BY REZONING CERTAIN REAL PROPERTY GENERALLY LOCATED AT 807 NORTH WHITEHOUSE DRIVE, BEING GILA COUNTY ASSESSOR'S PARCEL NUMBER 302-38-256B, AS MORE PARTICULARLY DESCRIBED ON EXHIBIT "A" ATTACHED HERETO, FROM R1-90MH TO R1-44. (807 N WHITEHOUSE DRIVE REZONING)

WHEREAS, the Town of Payson from time to time amends its Official Zoning Map and Official Zoning Code for the purpose of accommodating zoning changes; and

WHEREAS, Application No. P-352-09 to amend the Official Zoning Map and Official Zoning Code has been made by Nancy Edwards, property owner, to the Planning and Zoning Commission and the Town Council; and

WHEREAS, the Planning and Zoning Commission held a public hearing on April 13, 2009, considered the issues, and made recommendations on Application No. P-352-09 to the Town Council; and

WHEREAS, the Town Council held a public hearing on May 7, 2009, in regard to said Application No. P352-09 and has considered the issues relating thereto,

NOW, THEREFORE, IT IS HEREBY ORDAINED BY THE MAYOR AND COMMON COUNCIL OF THE TOWN OF PAYSON, ARIZONA, AS FOLLOWS:

Section 1. Ordinance 466 of the Town of Payson, the Official Zoning Map for the Town of Payson, and the Zoning Code for the Town of Payson be and each is hereby amended to establish a zoning district of R1-44 for that portion of the certain real property located at 807 North Whitehouse Drive, Gila County Assessor's Parcel Number 302-38-256B, more particularly described on Exhibit "A" attached hereto and made a part hereof by this reference (the "Property").

Section 2. That the requested rezoning and the use and density of the Property as proposed by Application No. P352-09 are hereby made contingent upon those conditions set forth in Section 3 below, and are found to be consistent with the General Plan of the Town of Payson, as required by A.R.S. § 9-462.01(F).

Section 3. The foregoing changes in zoning shall be and are hereby specifically made contingent upon and conditional upon each of the following:

- A. The portion of the newly created frontage of the Property that falls within the adjacent 14' roadway easement shall be dedicated to the Town of Payson in conjunction with the Minor Land Division/Lot Line Adjustment.

First Reading + Public Hearing MAY 07 2009 G.6
Second Reading + Public Hearing MAY 19 2009 G.6

- B. The developer shall fulfill the affordable/workforce housing contribution described in Exhibit B attached hereto.
- C. If vehicular access from West Palmer Drive is to be used, sealed plans shall be submitted to and approved by the Town Engineering Department, that assure that additional flooding does not result from such vehicular access.
- D. If any of the conditions listed above cannot be met or the applicant has not recorded an approved minor land division survey map within two (2) years of the approval date of the zoning change, then the R1-44 zoning may revert to the original R1-90-MH zoning, pending Council action.

Section 4. In addition to the provisions in Section 3 above and in Section 5, hereunder, this ordinance shall not become effective until the Town files with the Gila County Recorder an instrument (in a form acceptable to the Town Attorney), executed by Nancy Edwards and any other party having any title interest in the Property, that waives any potential claims against the Town under the Arizona Property Rights Protection Act (A.R.S. § 12-1131 et seq., and specifically A.R.S. § 12-1134) resulting from changes in the land use laws that apply to the Property as a result of the Town's adoption of this ordinance and the proceedings in connection therewith. If this waiver instrument is not executed and provided to the Town for recording within 7 calendar days after the motion approving this ordinance, this ordinance shall be void ab initio and of no force and effect.

Section 5. Pursuant to A.R.S. §19-142 and §30.54 of the Code of the Town of Payson, this ordinance if not otherwise void pursuant to Section 4 hereinabove, shall not become operative until 30 days after its passage.

Section 6. All ordinances and parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed to the extent of such conflict.

SUMMARY OF AGENDA ITEM

DATE: May 7, 2009
TO: Mayor and Council
FROM: Ray Erlandsen 
Acting Community Development Director
SUBJECT: Ordinance #763 807 N. Whitehouse Drive
Rezone from R1-90-MH to R1-44 (P-352-09)

PURPOSE:

The applicant, Nancy Edwards, is requesting approval of a zone change from R1-90 MH to R1-44 for the property located at 807 N. Whitehouse Drive. Currently, there are two residences on the 2.84 acre site located within the Country Club Ranchos Subdivision. The applicant proposes to divide the current lot into two parcels of 1.497 acres and 1.34 acres to allow for separate ownership of the existing dwelling units on the site.

SUMMARY:

The applicant purchased the property with the original residence located on the northwestern portion of this site and used it as the main residence while building a new home on the southern portion of the property. A Conditional Use Permit was approved in 2006 allowing the original residence to remain after completion of the new dwelling unit and be utilized as guest quarters with kitchen facilities.

The site is currently bordered by R1-90 MH zoned properties on the north, east and west side. The site is bordered on the south side by R1-10 zoned properties. The zoning for all parcels within the Country Club Ranchos Amended Subdivision was changed in 2000 from R1-10 MH to R1-90 MH.

The Payson Future Land Use Plan (Chapter 3) of the Town of Payson General Plan was amended in December of 2000 from Medium Density Residential to Low Density Residential development up to 2.5 dwelling units per acre prior to the zoning designation change. As the density proposed is less than 1 dwelling unit per acre, the proposed development meets the criteria of the Land Use Element.

Access to the existing residences at 807 N. Whitehouse Drive consists of a decomposed granite driveway. A minimum of 35' of frontage on a dedicated and improved roadway is required for the creation of a new lot. The applicant is proposing a lot line adjustment on the southeast corner of the site to provide necessary frontage for Parcel "B-2". Currently, the site abuts the easement for W. Palmer Drive, and a lot line adjustment (as shown) between this site and the adjacent lot # 97 of Country Club Vista Unit 2 would provide the required minimum frontage. The area of the lot line adjustment within the existing easement shall be dedicated to the Town of Payson in conjunction with the Minor Land Division/Lot Line Adjustment.

The applicant has submitted a letter outlining her affordable/workforce housing proposal as required by Condition #2 per recommendation of the Planning and Zoning Commission.

This property is not currently within the Northern Gila County Sanitary District (NGCSD). Public sanitary facilities were not required for construction under the R1-90 zoning designation. Both of the existing residences are served by separate on-site septic systems, previously approved by the Gila County Health Department.

The Planning and Zoning Commission recommended approval to the Town Council on April 13, 2009, on a 6-0 vote subject to the four conditions as attached.

P-352-09

Conditions recommended by the Planning and Zoning Commission

807 North Whitehouse Drive

Zone Change: R1-90-MH to R1-44

1. The portion of the newly created frontage that falls within the 14' roadway easement shall be dedicated to the Town of Payson in conjunction with the Minor Land Division/Lot Line Adjustment.
2. The developer shall submit a proposal for affordable/workforce housing contribution prior to Council consideration of the zone change request.
3. If vehicular access from West Palmer Drive is to be used, sealed plans shall be submitted to and approved by the Town Engineering Department, that assures that additional flooding does not result from such vehicular access.
4. If any of the conditions listed above cannot be met or the applicant has not recorded an approved minor land division zoning survey map within two (2) years of the approval date of the zoning change, then the R1-44 zoning may revert to the original R1-90-MH zoning, pending Council action.

P-352-09 Rezoning Request - R1-90-MH to R1-44

P&Z Commission Motion

April 13, 2009

807 N. Whitehouse Drive

Lori Meyers moved, seconded by James Scheidt, to recommend to the Town Council approval of P-352-09, a request to rezone a 2.84 acre property located at 807 North Whitehouse Drive from R1-90-MH to R1-44 as depicted on Exhibit A to allow for the future division of this property with the conditions listed in the staff report and the new one added. (Added - If vehicular access from West Palmer Drive is to be used, sealed plans shall be submitted to and approved by the Town Engineering Department, that assures that additional flooding does not result from such vehicular access.)

RE: Lot split – 807 N. Whitehouse Drive

Dear Ray:

I am responding to the staff recommendation for approval of P-352-09. Item #2 of the recommendation is requiring me, a private citizen, to act as a developer by way of making an affordable/workforce housing contribution. I have owned this property for five years and have no intention of building anything new on this property. There are two existing houses on this property.

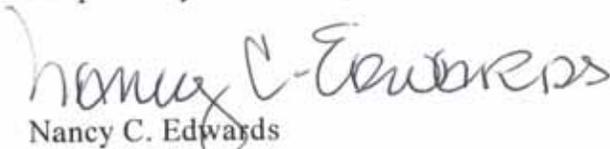

Bethany Beck, Housing Program Manager, sent me four sample letters that were written by Developers for their proposal for a contribution. I do not fall within this category. The four were:

1. Frontier Condo's, L.L.C.
2. Jarial, L.L.C.
3. Jeff Vaughn Homes
4. Cornerstone Properties Services and B T Development, L.L.C.

I currently work at the Casino. My hours there have been cut by 20%, as has almost everyone that works there. I am in a position, if the economic condition worsens that I could lose this property. The reason that I am splitting the property is a precautionary maneuver in case things do get worse economically, I could then sell part of it.

I have lived in Payson for eight years, and have done a lot in my opinion, to help this community. I have done community service. Last year when Habitat for Humanity was broken into I contributed almost \$800 in extra tools that I had to help replace the ones that were stolen. I have spoken at Town Council Meetings regarding issues that I feel are important to this Town. I am an active concerned citizen in Payson. I do not have any cash to contribute to the affordable/workforce. I would be willing to contribute time to Habitat or some other community service project in order to fulfill my contribution as suggested.

Respectfully submitted,

Nancy C. Edwards

MEMO

TO: Planning and Zoning Commission
FROM: Ray Erlandsen, Zoning Administrator
DATE: April 13, 2009
SUBJECT: 807 N. Whitehouse Drive
Rezone R1-90 MH to R1-44

P-352-09

Background

The applicant, Nancy Edwards, is requesting approval of a zone change from R1-90 MH to R1-44 for the property located at 807 N. Whitehouse Drive. Currently, there are two residences on the 2.84 acre site located within the Country Club Ranchos Subdivision. The applicant proposes to divide the current lot into two parcels of 1.497 acres and 1.34 acres as depicted on Exhibit A to allow for separate ownership of the existing dwelling units on the site.

The applicant purchased the property with the original residence located on the northwestern portion of this site and used it as the main residence while building a new home on the southern portion of the property. A Conditional Use Permit was approved in 2006 allowing the original residence to remain after completion of the new dwelling unit and be utilized as guest quarters with kitchen facilities.

Analysis

The site is currently bordered by R1-90 MH zoned properties on the north, east and west side. The site is bordered on the south side by R1-10 zoned properties. The zoning for all parcels within the Country Club Ranchos Amended Subdivision was changed in 2000 from R1-10 MH to R1-90 MH.

The Payson Future Land Use Plan (Chapter 3) of the Town of Payson General Plan was amended in December of 2000 from Medium Density Residential to Low Density Residential development up to 2.5 dwelling units per acre prior to the zoning designation change. As the density proposed is <1 dwelling unit per acre, the proposed development meets the criteria of the Land Use Element.

Access to the existing residences at 807 N. Whitehouse Drive consists of a decomposed granite driveway. A minimum of 35' of frontage on a dedicated and improved roadway is required for the creation of a new lot. The applicant is proposing a lot line adjustment on the southeast corner of the site to provide necessary frontage for Parcel "B-2". Currently, the site abuts the easement for W. Palmer Drive, and a lot line adjustment (as shown) between this site and the adjacent lot # 97 of Country Club Vista Unit 2 would provide the required minimum frontage. The area of the lot line adjustment within the existing easement shall be dedicated to the Town of Payson in conjunction with the Minor Land Division/Lot Line Adjustment.

This property is not currently within the Northern Gila County Sanitary District (NGCSD) and public sanitary facilities were not required for construction under the R1-90 zoning designation. Both of the existing residences are served by separate on-site septic systems, previously approved by the Gila County Health Department.

Staff Recommendation

Recommendation: Approval with conditions listed below.

1. The portion of the newly created frontage that falls within the 14' roadway easement shall be dedicated to the Town of Payson in conjunction with the Minor Land Division/Lot Line Adjustment.
2. The developer shall submit a proposal for affordable/workforce housing contribution prior to Council consideration of the zone change request.
3. If any of the conditions listed above cannot be met or the applicant has not recorded an approved minor land division survey map within two (2) years of the approval date of the zoning change, then the R1-44 zoning may revert to the original R1-90 MH zoning, pending Council action.

Suggested Motion to recommend Approval:

"I move the Planning & Zoning Commission recommend to the Town Council approval of P-352-09, a request to rezone a 2.84 acre property located at 807 N. Whitehouse Drive R1-90 MH to R1-44 as depicted on Exhibit A to allow for the future division of this property with the conditions listed in the staff report."

RE: Citizen Participation Report

Dear Ray:

As required by the Payson Unified Development Code #15-09-014, I am submitting the following information:

1. Citizen Participation Meeting letter was mailed on January 8, 2009 to forty-four parties, either concerned citizens on the list and all names provided within the 300' requirement.
2. Citizen Participation Meeting was held on January 25th at 807 N. Whitehouse, Payson. Eleven people showed up representing six properties on the 300' list. The meeting opened at 11:15a.m.
 - A. Information was provided for the residents, i.e. existing plot plan and plot plan showing the proposed changes.
 - B. A tour was given of the property showing the location of the changes requested.

The meeting started at approximately 11:15 a.m. I informed the attendees of the request for zone change, minor land division, and entrance to property coming in off of Palmer Road. Then explained that the property was now zoned R-90 and would leave it up to the Town to reclassify zoning. Several the attendees were concerned that the property was going to be re-subdivided into smaller than two parcels. I explained that I want to divide the property into two sections one of 1.497 acres and the other 1.34 acres. I would try and restrict any further divisions by way deed of trust.

Resident indicated the traffic coming on and off the property to Palmer would be increased. Currently the small amount of traffic that does come in and out of the property comes out on Whitehouse and still goes down Palmer.

Town of Payson
Citizen Participation Report
February 10, 2009
Page 2

There was a question how the crossing would impact the future flow of the water. Several residents indicated they thought it could be a potential problem with the water flooding over and onto Palmer Rd. I explained to the group that I was hiring an engineering firm to design the best method of construction so that would not happen. I have met with Dan Fitzpatrick from Verde Engineering Group on the property and did a site survey. He will be the Engineer on the project if this is approved.

Two residents indicated that they did not want to see the driveway approved if it meant taking out an old tree on the corner. I told them that I did not believe in would be a problem with site vision and did not want the tree to be removed either.

The next issue was presented by Penny DeGroot. Mrs. DeGroot had a copy of the original plot plan for Country Club Ranchos. We talked about the Declaration of Restrictions dated Aug. 23, 1971. The Declaration is 38 years old and there is not an active HOA here in Country Club Ranchos so any decision of the Town would prevail.

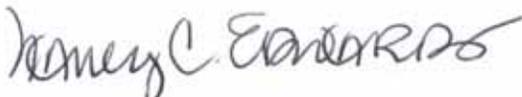

On January 31, 2009, I mailed out eleven letters to property owners who had a post office box, or who had an address outside of Payson. This letter explained what I was proposing and asked them to sign approving the change and please mail back to me.

On February 1st and February 7th, 2009, I canvassed the neighbor and spoke to residents that where home. Of the owners I spoke to, not one refused to the sign the approval.

To date I have done everything I know possible to notify the property owners within the 300' area of the proposed zone change, minor land division request and new driveway request.

If the Town needs further information please call me.

Respectfully submitted,

RE: Zone Change request for lot division of 807 N. Whitehouse Drive

Dear Property Owner:

You are invited to a Citizen Participation Meeting regarding a request to split the above named lot. This meeting will be held on Sunday, January 25, 2009 at 11:00 a.m. at the same address. The purpose of this meeting is to provide information to property owners and residents adjacent to subject property regarding the proposed rezoning and to provide you with an opportunity to share your questions or comments about the project. An 8-1/2x11" copy of the Preliminary Site Plan will be on site for your review.

If you cannot attend the meeting and/or have questions regarding the proposed rezoning, please call me at 480-236-9625. Please plan to attend

Respectfully,

Nancy C. Edwards, Homeowner

RE: Nancy Edwards – 807 N. Whitehouse Drive

Dear Mr. Erlandsen:

My husband and I would like to resend our letter to you of February 2009 regarding our rejection to Mrs. Edwards re-zoning of her property to R1-10.

We are not in objection to her current decision to request re-zoning to R1-44. Thank you for your help.

Sincerely,

Penny DeGroot
Homeowner

RE: Nancy Edwards – 807 N. Whitehouse Drive

Dear Mr. Erlandsen:

My husband and I attended an informal meeting at Mrs. Edwards home on January 25th to discuss her wishes to re-zone her property (which borders ours) and obtain access to the southern portion of her property by means of her neighbor's property.

We are very concerned about both issues. In order for Mrs. Edwards to gain access to her property, she would have to purchase a portion of property from her neighbor and then bridge or culvert the wash that separates her property from that neighbor. Approximately every two years, the culverts that are installed at the corner (Lema and Palmer Drive) are unable to handle the debris and water that washes down and floods both our property (approximately 150 feet northward) and our neighbor's property to the south (Jim and Daren Helms – 2407 N. Palmer Drive). We along with Mr. and Mrs. Helms expressed our concerns that an additional obstacle (bridge, culvert) up stream could cause the flooding to intensify and re-route the water higher up on each of our properties. We ask that if a permit is required for such a bridge or culvert that this request be strongly considered. During these rain events, flooding usually occurs after we receive several days of rain and the rain causes debris to block the current culverts installed by the town. Currently, there is one large and four small culverts that can easily handle rain, but are easily clogged with debris.

Our second opposition to Mrs. Edwards's proposal is the re-zoning to R1-10. It is currently R1-90 which is in accordance with our deed restrictions. The deed restrictions allow for each of the lots to be split once. Mrs. Edward's lot has been split once. There is no lot in our subdivision that is smaller than two acres. It was recommended to Mrs. Edwards to seek the zoning of the adjacent properties; however, as I recall no person from our subdivision was openly in favor of the rezoning to R1-10.

Besides being in violation of our deed restrictions, this would allow for future splits and we feel would de-value our property.

If Mrs. Edwards were granted the ability to re-zone the property, it could lead to future legal action to enforce our deed restrictions. I ask that you consider these oppositions and not allow the rezoning.

Sincerely,
