POSSIBLE MOTION

"I move to extend the sunset of the Green Valley Re-development Area Commission from January 1, 2010 to June 30, 2010 and direct the Commission to submit a final report of the commission's historical activities and accomplishments prior to that date. I further direct staff to ensure the continuance the Main Street Program while under review as to its purpose, membership and proper place to achieve its objectives."

SUMMARY OF THE BASIS FOR POSSIBLE MOTION:

The Green Valley Redevelopment Area was authorized by the Town Council in 1998 by the adoption of Resolution 1393 under state law regulations at that time. Current state law no longer provides for the continuation of GVRA as originally conceived. In addition, a ten-year sunset provision has been reached.

The Main Street Program provides for economic revitalization through the Main Street Four Point Approach. Approved by the Town Council in 2000 with the adoption of Resolution 1442, it receives structure from the National Main Street Center through the Arizona Main Street Program.
