

PROCLAMATION

WHEREAS, RIM COUNTRY ROTARY CLUB AND ROTARY CLUB OF PAYSON WORLD POLIO DAY, October 24, 2010 is a positive initiative to create awareness and educate the citizens of PAYSON about the vital importance to eradicate Polio worldwide. Rotary brings 105 years of history to this initiative. Its members are business, professional and community leaders who provide humanitarian service, encourage high ethical standards, and help build goodwill and peace in the world. RIM COUNTRY ROTARY CLUB AND ROTARY CLUB OF PAYSON, are two of 33,976 Rotary clubs located in more than 200 countries and geographical areas, that initiate service projects to address today's challenges, including illiteracy, disease, hunger, poverty, lack of clean water, and environmental concerns.

WHEREAS, When Rotary began its mission to eradicate polio more than 350,000 children were stricken with polio every year, and nearly 1,000 people were affected by the crippling disease every day. Since then, polio cases have been reduced by 99% to fewer than 1,700 cases in 2009. Today only four countries – Afghanistan, India, Nigeria, and Pakistan - remain polio-endemic. Due to the efforts of Rotary and its partners, the world is on the threshold of ending polio forever – making it only the second disease after smallpox to be eradicated.

WHEREAS, The Bill & Melinda Gates Foundation has awarded \$355 million to Rotary International in the global effort to eradicate polio, \$200 million as a challenge grant to Rotary, one of the largest challenge grants ever given by the Gates Foundation and the largest received by Rotary in its 105-year history. These funds will provide critical support to polio eradication activities that are spearheaded by RI and its partners, the World Health Organization, the U.S. Centers for Disease Control and Prevention, and UNICEF. Rotary will distribute the funds through grants to WHO and UNICEF.

WHEREAS, Polio eradication has been Rotary's top priority since 1985, with more than \$1.2 billion contributed to the effort. At the Rotary District Conference in San Diego, California in February 2009, Bill Gates praised Rotary for providing the volunteers, advocates, and donors who have helped bring about a 99 percent decline in the number of polio cases. "The world would not be where it is without Rotary, and it won't get where it needs to go without Rotary," Gates said. Rotary is now nearing the three-quarter mark – having raised \$140 million of the \$200 million challenge.

NOW, THEREFORE, I, Kenny J. Evans, Mayor of the Town of Payson, Arizona, do hereby proclaim:
