TOWN CLERK
TOWN OF PAYSON

January 11, 2011

Town of Payson
Mayor, Kenny Evans
Town Council Members
303 N Beeline Hwy
Payson, AZ 85541

Dear Mayor Evans and Council,

Payson Area Habitat for Humanity, Inc. is actively coordinating plans to begin construction of Phase III at the Longhorn Village community located at the corner of McLane and Longhorn roads. Although a very aggressive schedule, Payson Area Habitat for Humanity, its contractors, funders, staff and volunteers are working diligently to complete five homes for deserving families by fall. It is at this time, I request your immediate consideration and support.

Please consider and approve this written request to waive the Town of Payson Permit Fees. Your approval and partnership complements our mission to build affordable housing.

Thank you for your continued support and commitment to provide Payson residents the opportunity and access to affordable homeownership in our community.

In the spirit of service to one another,

A handwritten signature in cursive script that reads "Cristine M. Royer".
