POSSIBLE MOTION I move to direct Town Staff to investigate the feasibility of constructing a gazebo in Green Valley Park that could be reserved and utilized for events such as weddings.

SUMMARY OF THE BASIS FOR POSSIBLE MOTION:

Council Members Connell and Wilson have raised the possibility of constructing a gazebo in Green Valley Park that could be reserved and used for weddings and other similar events. If the Council desires Staff to explore this possibility, Staff would need to consider the following:

- 1) Potential funding sources
- 2) Feasibility
- 3) Consent of the Sanitary District (Green Valley Park is a joint project and something of this nature would require the District's consent)
- 4) Possible locations within the park for a gazebo
- 5) Operational issues (this would be managed by the Parks, Recreation, and Tourism Dept.)
- 6) Town policy designating Green Valley Park as a 'passive use' park
- 7) Other associated issues

Staff would like to have direction from the entire Council before committing additional time to this potential project.
