Re: 2012 CDBG Application

As you may know, the Town is preparing its biannual application for Community Development Block Grant (CDBG) funds. These funds may be used for a variety of activities; however, the proposed project(s) must primarily benefit citizens who meet the State of Arizona's low- to moderate-income guidelines.

There will be two public hearings to discuss potential CDBG projects. The first hearing will be held at the March 15 Council meeting and will provide a brief overview of the CDBG program, as well as staff suggestions and public input regarding possible projects. The second hearing will be at the April 19 Council meeting. The April 19th Council agenda will also include a resolution to submit the 2012 CDBG application.

Based upon your input and direction on April 19, staff will then prepare and submit the Town's 2012 CDBG application to CAAG as required.

The total CDBG funding available to Payson in 2012 and 2013 is anticipated to be \$208,551. If you would like more details or would like to know more about previous CDBG projects please contact me at any time.
