### POSSIBLE MOTION

I move to approve the subdivision construction of the Mazatzal Mountain Air Park Unit 4 Subdivision, including the traffic control devices, subject to the developer's two year warranty of public improvements and to accept the public subdivision improvements for town maintenance under such warranty.

### SUMMARY OF THE BASIS FOR RECOMMENDED MOTION:

The Mazatzal Mountain Air Park Unit 4 consists of 41 single family residential lots located in the 1100 block of North Earhart Parkway. The developer has completed all required public construction improvements within this subdivision and is now ready for final approval and acceptance.

Acceptance of the subdivision public improvements will bring this project into the Town maintenance system and begin the developers' two year warranty period.
