Re: Systematic Town Code Review – Title XIII, CHAPTER 130: NUISANCES (Ordinance 856/Resolution 2796)

This is part 14 of the Systematic Town Code Review. Chapter 130 (General Offenses) has been reviewed and numerous changes recommended. This Chapter contains the code provisions that the average citizen is most likely to encounter. Many of the sections are redundant of State law and are therefore recommended for removal. The most significant substantive addition addresses the use of portable toilets. See new Section 130.02. The recommended changes have been reviewed by the Town Manager, the Assistant Town Manager, the Deputy Town Manager (Public Safety), and the Zoning Administrator. The major changes to each section (if any) are summarized prior to each section. Insertions are noted with a double underline and deletions are noted by ~~strikeout~~.

Section 130.01 – The majority of this section is duplicative of A.R.S. 13-1602 (Criminal Damage) and is therefore recommended to be repealed. It is recommended that Subsection (C) relating to Roads and Bridges be retained.

130.01 DAMAGE TO ROADS AND BRIDGES PROPERTY.

~~(A) It is unlawful for any person to damage in any manner or attempt to damage or tamper with any pipe lines, water hydrants, street lamps or lights, or the fixtures and appliances belonging thereto upon any of the poles or other objects for use in connection with the lighting of the streets of the town or any water pipes, hydrants, or any appliances pertaining to the water or sewer works, or any other property of any and every character belonging to the town.~~

~~_____ (B) It is unlawful for any person to deface, walk, ride or drive upon or over any sidewalk or street crossing composed of or containing cement, during the construction thereof, or before the same is thrown open to public use.~~

~~_____ (C) It is unlawful for any person, firm or corporation to recklessly damage in any manner any road, street or bridge in the town limits by using the same, by heavy vehicles, malicious destruction or by any act that will result in damage to any road, street or bridge.~~

~~_____ (D) It is unlawful to break or destroy any window, door or part of any dwelling owned or occupied by another, or to break or sever from any premises owned or occupied by another any gate, fence, railing, tree, brush or vine or any property whatsoever, or to deface, mutilate or injure the same.~~

Section 130.02 – This section is duplicative of A.R.S. 13-1603 (Littering) and is therefore recommended for removal. This section is being replaced by a provision addressing the use of Portable Toilets (porta potties, porta johns, jay johns, etc.)

~~§ 130.02 LITTERING.~~

~~It is unlawful for any person to throw or deposit any litter in or upon any street, alley, public grounds, school grounds or church grounds.~~

§130.02 Portable Toilets

_____ (A) It is unlawful for a person to allow a portable toilet (often referred to as a porta potty or porta john) to remain on a parcel of land for more than 21 days in a twelve month period except as provided in subsection (B)

_____ (B) Subsection (A) shall not apply if:

_____ (1) The portable toilet is allowed pursuant to a Town issued Temporary Use Permit or Conditional Use Permit.

_____ (2) The portable toilet is being stored by a business that leases or sells portable toilets and the business is otherwise in compliance with all Town Zoning requirements.

_____ (3) There is an active building permit on the parcel and a portable toilet is required for the building permit.

_____ (4) The Town Building Official, after a determination that such portable toilet is needed in response to a plumbing failure on the parcel, authorizes the portable toilet.

_____ (5) The Town Council authorizes the use of the portable toilet(s).

Section 130.21 – The substance of this section is covered in the Town's Zoning Ordinance (Unified Development Code). It is therefore duplicative and recommended for repeal.

§ 130.21 RESERVED. OFFENSIVE BUSINESS.

~~It is unlawful for any person to establish or maintain any slaughterhouse or make a practice of slaughtering cattle, hogs, sheep or any other kind of animal, or establish or maintain any soap factory, render tallow, or pursue, maintain or carry on any other business or occupation offensive to the senses or prejudicial to the public health within the limits of the town.~~

Section 130.22 – The State Law provisions prohibiting prostitution are more encompassing. Additionally, municipalities may enact prostitution ordinances only if they are 'at least as stringent' as the State law. There is a very good argument that Section 130.22 is not at least as stringent and therefore is preempted. Historically, any prostitution matters within the Town have been prosecuted under State Law. Because of these factors, repeal is recommended.

§ 130.22 RESERVED. PROSTITUTION.

~~It is unlawful for any person to practice prostitution or to solicit any person to visit or patronize a prostitute or place of prostitution.~~

Sections 130.23 through 130.28 – No changes recommended.

§ 130.23 OFFENSIVE PREMISES.

It is unlawful for any person to suffer, or permit any premises belonging to or occupied by him, or any cellar, privy, vault, pool, sewer or private drain therein to become nauseous, foul or offensive to the senses or prejudicial to the public health or comfort.

§ 130.24 WATER FLOW ON STREETS.

It is unlawful for any person to willfully or negligently permit or cause the escape or flow of water in such quantity as to cause flooding, or to impede vehicular or pedestrian traffic, to create a hazardous condition to traffic, or to cause damage to the public streets of the town.

§ 130.25 PRODUCTS INTENTIONALLY MISUSED FOR OBTAINING A HIGH, HALLUCINOGENIC, PSYCHOACTIVE, PSYCHOTROPIC, OR MIND ALTERING EFFECT; PROHIBITION OF SALE OR POSSESSION FOR SALE.

(A) It is unlawful for any person to possess for sale, offer for sale, or sell any product that is not intended or labeled for human consumption, knowing or having reason to know that the purchasers and/or end users of such product commonly intentionally misuse such product.

(B) For the purposes of this section:

(1) INTENTIONAL MISUSE OF A PRODUCT means the consumption, ingestion, smoking, or other introduction of a product into the human body for the purpose of obtaining a high, hallucinogenic, psychoactive, psychotropic, or other mind altering effect.

(2) If an employee of the federal, state, county, or local government, acting in his/her official capacity, provides a person with information documenting the common intentional misuse of a product, such person shall be deemed to know or have reason to know of the common intentional misuse of the product.

(B) It is unlawful for any person to maintain a well, cellar, pit or other excavation of more than two feet in depth on any unenclosed lot, without substantial curbing, covering or protection.

Section 130.29 – The reference ‘fireworks’ is eliminated because fireworks are now specifically addressed by Section 130.39. Currently it is the Fire Department which issues permits related to explosives, so the reference to the “Chief of Police” is changed to the “Fire Department.”

§ 130.29 EXPLOSIVES.

It is unlawful for any person within the limits of the town to blast, store or use powder, ~~fireworks~~ or other explosives without a permit from the Fire Department Chief of Police in writing.

Section 130.30 – The requirement that ‘humane’ traps be used under a permit issued by the Town is removed. If such traps are permissible, a permit appears unwarranted.

§ 130.30 INHUMANE TRAPS.

(A) It is declared to be a public nuisance and it is unlawful for any person, firm or corporation to place, set or maintain any snare or trap in the town other than common mouse traps used indoors, gopher traps placed underground and “humane” traps which detain an animal or bird without inflicting injury upon it. Unlawful traps may be seized by the Police Department and destroyed. Notice of intention to destroy such devices must be sent by registered mail to the last known address of the person from whom seized if known and posted in three conspicuous places in the town. The trap shall be held for 30 days after posting and mailing, and if no action is commenced to recover possession of the trap, it shall be destroyed.

(B) ~~“Humane” traps shall be used under permit issued by the town upon payment of a fee of \$1.~~

It is unlawful for any person, other than the owner, manager or his authorized representative, to interfere individually or collectively with free enjoyment of a property by the owners thereof; or interfere with the conduct of any lawful business by obstructing entrance to a business or by obstructing free passage of persons or merchandise or commodities within a place of business, or by obstructing service rendered by a business to its customers.

Section 130.32 – Non substantive changes are recommended.

§ 130.32 UNLAWFUL URINATION OR DEFECATION.

It is unlawful to urinate or defecate ~~Any person who urinates or defecates~~ while in public or while the person is open to view by the general public, unless the activity is

being conducted within the confines of an area or building designated for that specific purpose, ~~in guilty of a Class One misdemeanor~~. For purpose of this section, the term “public” includes any area, inside or outside, public or private, wherein the general public is admitted to pass.

Sections 130.33 through 130.35 – No changes recommended.

§ 130.33 CURFEW FOR MINORS.

(A) It is unlawful for any person under 18 years of age to idle or loiter upon the streets or public places of the town between the hours of 12:00 midnight and 6:00 a.m. unless the person is accompanied by a parent, guardian or some person of lawful age having legal custody of that person. It is unlawful for any person to obstruct any public street or alley, sidewalk or park or other public grounds within the town by committing any act of, or doing anything which is injurious to the health, or indecent or offensive to the senses, or to do in or upon any streets, alleys, sidewalks, parks or other public grounds, any act or thing which is an obstruction or interference to the free use of property or with any business lawfully conducted by anyone, in or upon, or facing or fronting on any streets, alleys, sidewalks, parks or other public grounds in the town.

§ 130.35 OBSTRUCTION OF VIEW.

It is unlawful for any person to maintain or allow any tree, hedge, billboard or other obstructions which prevent persons driving vehicles on public streets, alleys or

highways from obtaining a clear view of traffic when approaching an intersection or pedestrian crosswalk.

Section 130.36 – This section is recommended for repeal.

§ 130.36 ~~RESERVED. SPITTING.~~

(D) If subdivision construction traffic does cause damage to the town's existing roadways, the town shall not accept the public improvements of the subdivision until such damage has been repaired to the satisfaction of the ~~Public Works Engineer~~ Town.

(E) If building construction traffic does cause damage to the town's existing roadways, the town shall not grant a certificate of occupancy for the building or structure benefitting from the building construction traffic until such damage has been repaired to the satisfaction of the ~~Public Works Engineer~~ Town.
