## POSSIBLE MOTION

I move that the Friends of Payson Parks and Recreation a 501c3 organization be granted permission to name certain Parks and Recreation facilities or portions thereof and place objects on such facilities in recognition of or honoring services to the Town. I further move that the Town of Payson will support the Friends of Payson Parks and Recreation organization in their endeavor to raise the funds needed to improve Town of Payson Parks and Recreation Facilities.

## SUMMARY OF THE BASIS FOR POSSIBLE MOTION:

The Town of Payson is in the process of making improvements to the Town's Parks and Recreation facilities, such as the K-East and K-West Softball/Baseball Complex. Recently the Town Council approved the funding for the Lighting Project for this complex and the poles have been installed and the lights will soon be operational. The friends of Payson Parks and Recreation (FPPR) wish to assist the Town by raising the additional funds needed to help complete this project.

FPPR would like to recognize individuals or organizations that have made major contributions to the Town in services or contributions by naming all or portions of these improvements in recognition of such services and contributions. Such recognition could include plaques, name plates, or side walk bricks on or near the facility.

## PROS:

- The main mission of the Friends of Parks and Recreation is to serve as a fund raising arm to help provide the Town of Payson Parks and Recreation Department with scholarships for underprivileged youth. The FPPR board feels that helping raise the money for this and other projects will have a positive impact on the youth of our community and will provide facilities for them to learn and grow.
- Once completed this project will be a source for economic vitality/stimulus and will attract little league tournaments, softball and baseball tournaments and will help the community as a whole in providing an excellent quality of life environment.

## CONS:

NOV 05 2015 I. 2
