Sheila,

Good morning. I'm letting you know that my family and I are planning to leave Payson after April 15th, so I need to resign from the P & Z committee. I am more than happy to continue until I leave and be present at both the March and April meetings. I have told Michael Hughes already and I believe he is in the process of finding a potential replacement. I want to thank you for having me be a part of this committee, it has been a great learning experience and I hope to be involved with similar committees in communities that I call home in the future.

Thank you,

Eric Martindale
