RE: State Forestry Intergovernmental Agreement

Dear Cooperator:

As I am sure you are aware, Arizona State Forestry has been going through the process of updating all of our Intergovernmental Agreements, to bring them in line with current state statute. During this process a concern was raised with language contained in the liability module from Arizona Department of Administration Risk Management. As a result of these concerns, many cooperators were advised by counsel not to sign the new agreement. After many discussions between lawyers, AZSF, and ADOA, the concerns have been addressed and language adjusted.

Attached to this letter is the new Intergovernmental Agreement for your agency with the agreed upon language in place. Please affix the appropriate signatures and return to the State Forester's office.

If your agency is a taxing authority or recognized sub-division of government, state statute requires that this agreement be reviewed by legal counsel on behalf of your agency. If you do not have designated legal counsel, please check with your County Attorney's Office for review and signature.

I thank those agencies that have already completed the process with the first version of the agreement and apologize for the additional workload.

If you have any questions, please feel free to call Byron Kimball at 602-359-1715.

Sincerely,

David Geyer

**ARIZONA STATE FORESTRY DIVISION  
COOPERATIVE INTERGOVERNMENTAL AGREEMENT**

This Cooperative Agreement ("Agreement") is made by and between Payson Fire Department hereinafter referred to as the Cooperator, and the State Forester (collectively the "Parties"). This Agreement supersedes all previous Memorandums of Understanding and Cooperative Agreements and will become effective upon the final signature.

WITNESSETH:

WHEREAS the Cooperator wishes to enter into a Cooperative Agreement with the State Forester for the protection of its forests and wildlands as authorized under A.R.S. Sections 37-623(F), 9-220 (8), 9-240(B)(7)(a) and 48-805(B)(16) and; the protection of forest, wild and agricultural lands, and rural structures as provided for within the Cooperative Forestry Assistance Act, 16 U.S.C. Section 2106; and

WHEREAS this is an Intergovernmental Agreement entered into pursuant to A.R.S. § 11-952; and

WHEREAS it is in the best interest of the State of Arizona to have wildland fires detected and suppressed quickly before they become large and more difficult to control; and

WHEREAS the Cooperator represents that it is a duly constituted fire department, fire district, or political subdivision of the State authorized to provide fire protection within the boundaries of the map attached hereto and by reference made a part hereof (Appendix A); and

WHEREAS the Cooperator may have a limited number of units of firefighting equipment that can be made available to the State Forester for fire suppression work; and

WHEREAS the Cooperator may have the capability to respond and suppress fires under the jurisdiction of the State Forester on a more timely and effective basis than any other assets or resources in the state; and

WHEREAS the Cooperator can more adequately carry out this function if additional equipment and technical assistance is available; and

WHEREAS the State Forester may have a limited number of units of firefighting equipment that can be made available to fire associations, fire districts, and incorporated fire departments involved in fire suppression; and

## 20. INDEMNIFICATION:

Each Party (as "Indemnitor") agrees to defend, indemnify, and hold harmless the other Party (as "Indemnitee") from and against any and all claims, losses, liability, costs, or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as "Claims") arising out of injury to any person (including death) or property damage resulting from, or in connection with, the performance of this Agreement, but only to the extent that such injury or damage is caused by the negligent act or omission or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers. For the purposes of this Section 20, an agent, employee, or volunteer of the Cooperator who is working under the jurisdiction, direction or supervision of the State Forester is the Cooperator's agent, employee, or volunteer and not the agent, employee or volunteer of the State Forester. The preceding sentence does not limit or affect the application of A.R.S. 23-1022, including the circumstances in which an employee is deemed to be an employee of both Parties for purposes of that statute.

This Section 20 does not reduce the degree of negligence or fault that the injured party or other third party must establish in the underlying Claim to recover for any injury or damage, or affect any defense to such underlying Claim.

In addition, if and only if the Cooperator uses contractors or subcontractors, which decision the Cooperator may make in its sole and absolute discretion, the Cooperator shall cause its contractor(s) and subcontractors, if any, to defend, indemnify, and hold harmless the State of Arizona, any jurisdiction or agency issuing any permits for any work arising out of this Agreement, and their respective directors, officers, officials, agents, and employees (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, reasonable attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the Cooperator's contractor or any of the directors, officers, agents, or employees or subcontractors of such contractor. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by such contractor from and against any and all claims. It is agreed that such contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable.

## IT IS MUTUALLY AGREED:

1. That every obligation of either Party under this Agreement is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation; if funds are not allocated and available for the continuance of this Agreement, this Agreement may be terminated by either Party at the end of the period for which funds are available. No liability shall accrue to either Party in the event this provision is exercised, and neither Party shall be obligated or liable for any future payments for any damages as a result of termination under this paragraph.
2. That the Cooperator will be hired and reimbursed, for suppression or other activities, as set forth in the "Cooperative Fire Rate Agreement" (FM104) as agreed to and attached as exhibit "B". This Cooperative Fire Rate will be part of the master Agreement and attached at a later date and prior to hiring.

3. The equipment issued by the State Forester will be painted and identified and marked in a manner that will indicate the cooperation between the Cooperator and the State Forester, unless the equipment was acquired through the Firefighter Program and the title has been passed to the cooperator;
4. If the equipment is not used as provided by this agreement, the State Forester may remove said equipment upon written notification.
5. **Amendments:** This agreement may be modified only by a written amendment signed by both parties. However, if mutually agreed, the parties may enter into specific supplemental, written agreements, subject to appropriate approvals, to accomplish the goals of this agreement and to carry out its terms and conditions.
6. **Dispute Resolution:** In the event of a dispute, the parties agree to arbitrate the dispute to the extent required by A.R.S. Section 12-1518.
7. **Inspection and Audit of Records:** Pursuant to A.R.S. Sections 35-214 and -215, to the extent that they apply, the Cooperator shall retain all books, accounts, reports, files and other records ("Records") relating to this agreement for a period of five years after completion of the contract. All records shall be subject to inspection and audit by the State Forester at all reasonable times. Upon request, the Cooperator shall produce the original of any and all such records at the offices of the State Forester.
8. **Cancellation for Conflict of Interest:** Pursuant to A.R.S. Section 38-511, the either Party to the Agreement may, within three years after its execution, cancel this contract, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the State is, at any time while the contract or any extension of the contract is in effect, an employee or agent of any other party to this contract in any capacity, or a consultant to any other party to this contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Governor is received by all other parties to the contract of the cancellation, unless the notice specifies a later time.
9. **Nondiscrimination:** The parties agree to comply with Arizona Governor's Executive Order 2009-09 - "Prohibition of Discrimination in Contracts Non-Discrimination in Employment by Government Cooperators and Subcontractors, Superseding Executive Order 99-4 and Amending Executive Order 75-5."
10. **Third-Party Antitrust Violations:** The Cooperator assigns to the State any claim for overcharges resulting from antitrust violations to the extent that such violations concern materials or services supplied by third parties to the Cooperator toward fulfillment of this Agreement.
11. **Notices:** All notices required by this agreement shall be in writing delivered to the person and addresses specified below or to such other persons or addresses as either party may designate to the other party by written notice.

A breach of this warranty shall be deemed a material breach of the contract that is subject to penalties up to and including termination of the contract. The State

retains the legal right to inspect the papers of any Cooperator, contractor or subcontractor employee who works on the contract to ensure that the Cooperator, contractor or subcontractor is complying with the warranty.

13. **Workers' Compensation:** For purposes of workers' compensation, an employee of a Party to this Agreement, who works under the jurisdiction or control of, or who works within the jurisdictional boundaries of another Party pursuant to this Agreement, is deemed to be an employee of both the Party who is the primary employer and the Party under whose jurisdiction or control or within whose jurisdictional boundaries they are then working, as provided in A.R.S. §23-1022(D).
