

The “Steering Committee” is a technical advisory roundtable comprised of community stakeholders such as the Payson Unified School District, Rim Country Chamber of Commerce, Northern Gila County Sanitary District, Central Arizona Board of Realtors, and others. The steering committee also includes Chairpersons from Town of Payson Advisory Boards such as the Planning & Zoning Commission, Parks & Recreation Commission, Surface Transportation Advisory Board, Payson Area Advisory Youth Council and the Airport Commission as well as the Mayor and members of the Town’s Management and Community Development staff.

The steering committee members have graciously volunteered their time to provide guidance and continuity throughout the update process. The members of the Steering Committee will participate in the community outreach events listed on the event calendar as well as four work-study sessions with the consultant in preparation of and/or follow-up to the community outreach events.
