

MEMO

TO: Planning and Zoning Commission
FROM: Ray Erlandsen 
Acting Community Development Director
DATE: January 11, 2010
SUBJECT: 906 E. Frontier Street CUP-176-09
Conditional Use Permit – Group Home - More Than 6 Residents

Background

The applicants, Randall J. & DeLaine L. Brooks, property owners, are requesting approval of a conditional use permit to allow a group home (assisted living home) with more than six residents use at 906 E. Frontier Street, Gila County Tax Parcel #304-02-047.

Analysis

The applicants are proposing to provide care for elderly residents who may need help with daily living activities in the form of an assisted living home. They would provide a minimum of two 24-hour caregivers to assist residents as needed.

The Unified Development Code (UDC) does not have a specific category for an “assisted living home”. In the absence of a specific requested use, the Zoning Administrator shall determine whether the use is to be allowed. In this case, the requested “assisted living home” use is similar to the existing “group home” use in the UDC in that both are regulated by Arizona State Statute (ARS) Title 36 provisions. The UDC “group home” use allows up to six residents and two caregivers without a conditional use permit (CUP). More than six residents and two caregivers requires a CUP. The applicant has indicated to staff that they have applied for a Title 36 license for up to ten residents. Staff believes that a CUP allowing an increase from six to ten residents meets the intent of the existing “group home” use provided the recommended conditions are met.

The primary purpose of a group home is to provide a family-like setting with ongoing supervision and support for persons unable to live independently in the community. An assisted living home is very similar in that it provides a special combination of housing, supportive services, personal assistance, and health care designed to respond to the individual who needs help with daily living activities.

This property is within the Northern Gila County Sanitary District (NGCSD). Public water and sanitary facilities are required and currently in use.

Staff Recommendation

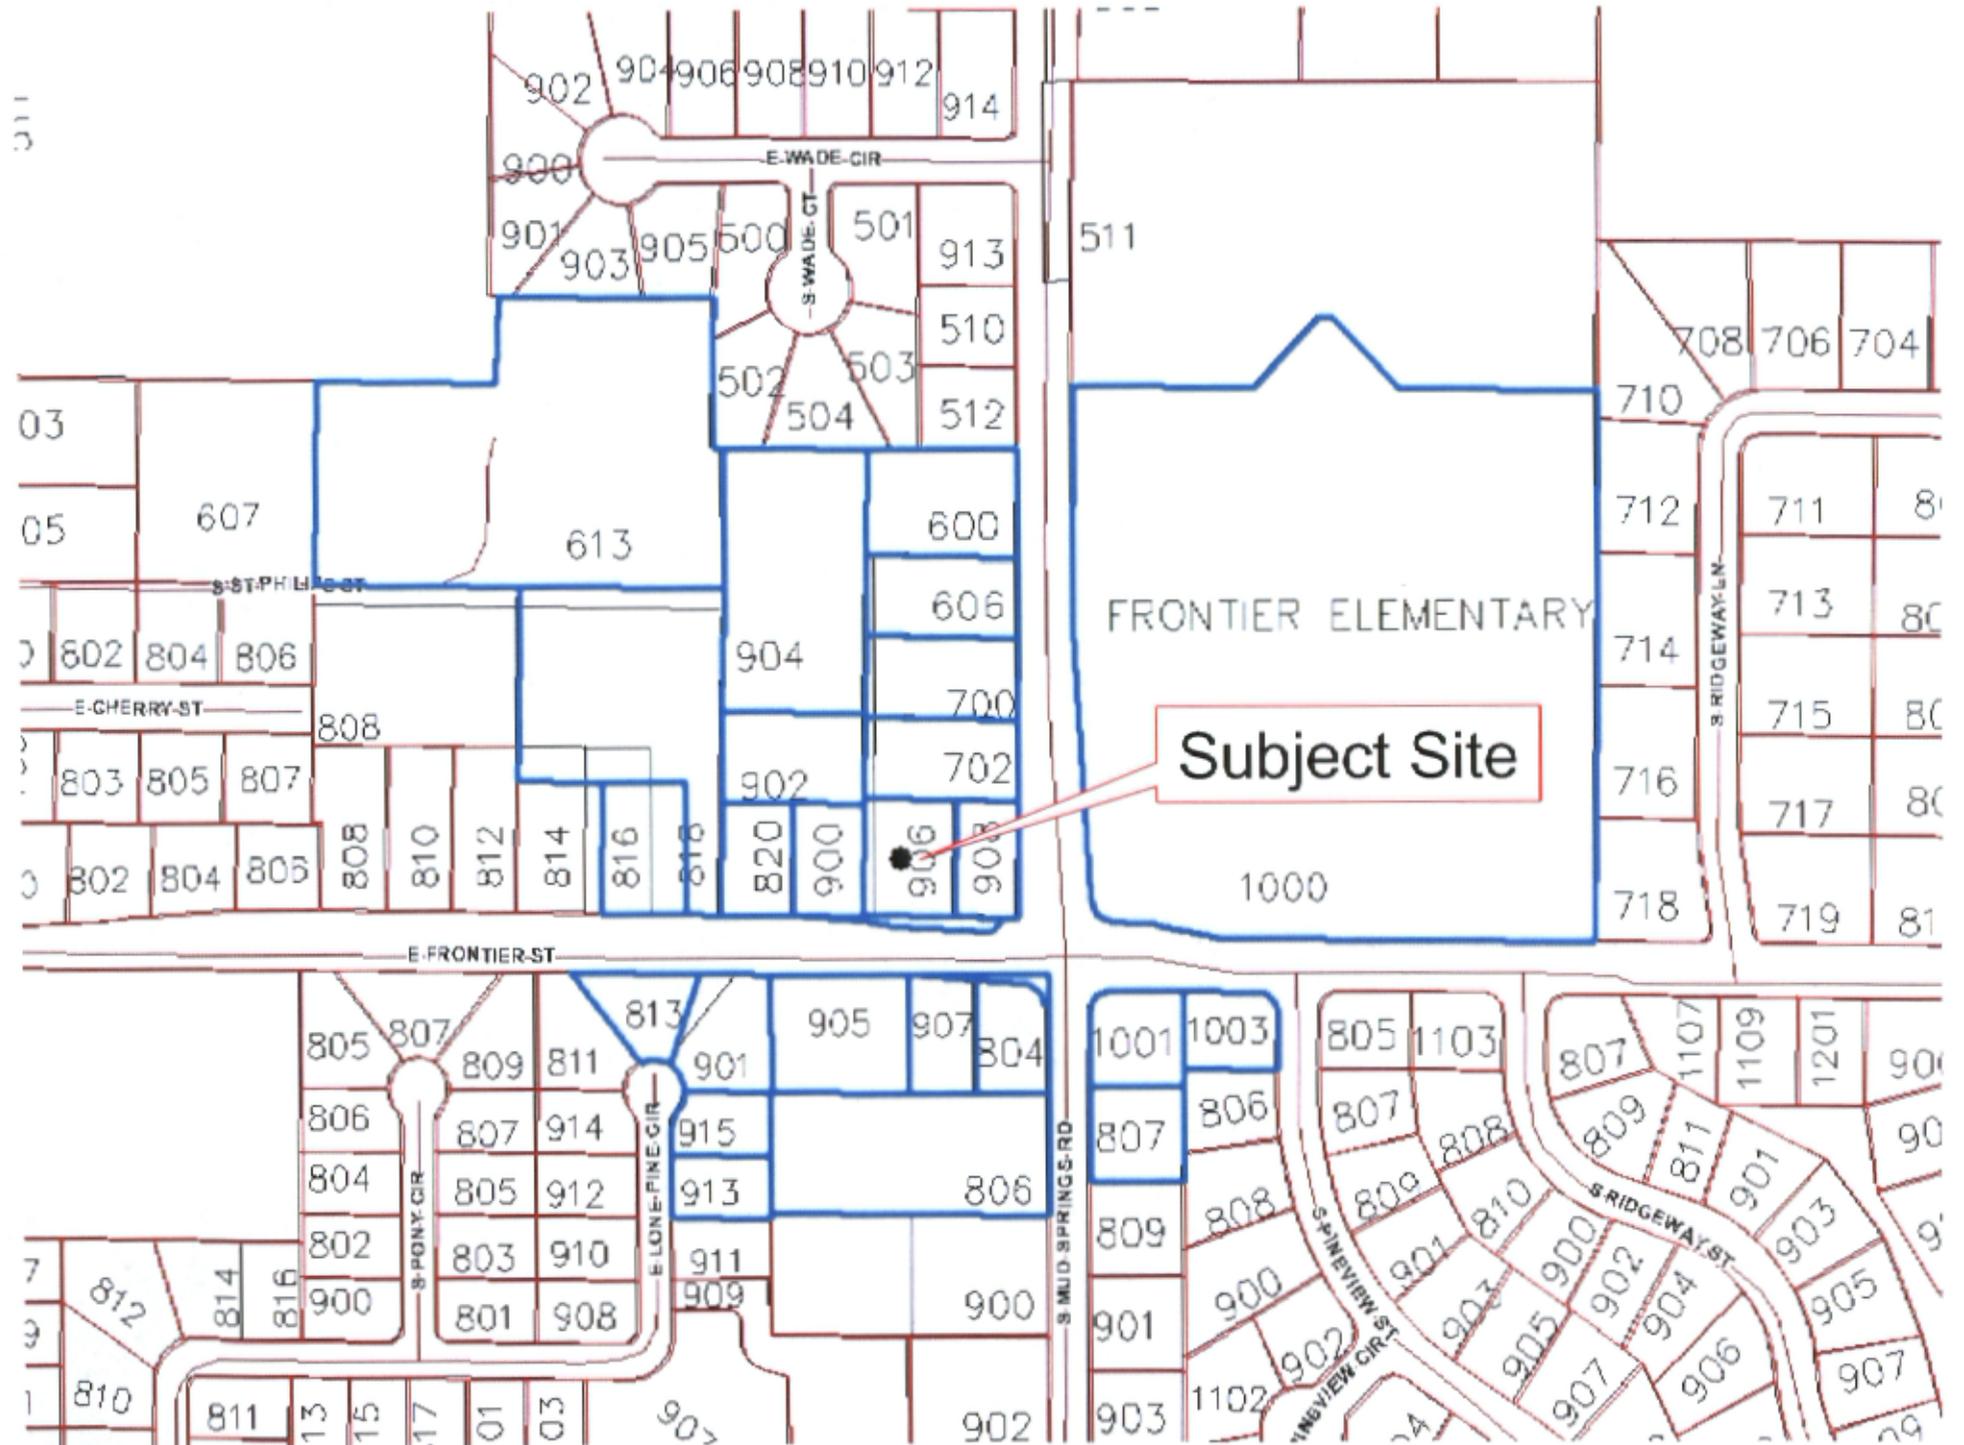

Recommendation: Approval with conditions listed below.

1. Site shall comply with all Town of Payson development regulations, including water conservation measures.
2. The use shall comply with all state licensure requirements. Failure to comply with state requirements shall be grounds for revocation of the CUP.

3. No more than 10 residents with two caregivers shall be allowed.
4. An approved Town of Payson business license (BL) and occupancy permit (BOP) are required prior to commencing business.
5. All requirements of the Gila County Health Department shall be met.
6. That the length of this Conditional Use Permit shall run concurrent with the use of this property. That is, as long as this property is used for a group home (assisted living home) with no more than ten residents use, then the use permit is applicable. Change in uses or additional uses shall require approval through the CUP process.

Suggested Motion to Approve:

“I move the Planning & Zoning Commission approve CUP-176-09, a request to allow a group home with more than six, but no more than ten residents use at 906 E. Frontier Street, with the conditions listed in the staff report.”

CORRECTION:
ASSISTED LIVING CARE HOME
INFORMATION MEETING IS
SAT. DEC. 5, 2009 AT 1:PM
906 E. FRONTIER

Nov 20, 2009

Dear Neighbors,

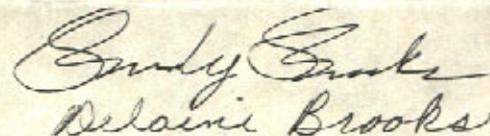

We are Randy & Delaine Brooks who own the home at 906 E. Frontier Street. We have not lived there for the past four years and have really had bad experiences renting it. We are sure you have noticed a decline in its' care since we've been gone. Therefore, we want to work on the home by re-painting, re-modeling and re-landscaping to make it once again the beautiful home it used to be.

Once it is re-established as a comfortable and dignified place to reside, we would like to offer it as an assisted living care home for the elderly. Since this is in your neighborhood, we are required to get your input. We are holding an information meeting on Sat. Dec. 4, 2009 at 1:00 PM in the back yard of the residence (906 E. Frontier).

If you have questions and are interested in coming, we would appreciate your attendance. It shouldn't last longer than 45 minutes – and who can resist tea and cookies!!

Thank you for your time and consideration on our behalf.

Sincerely,

Randy and Delaine Brooks

December 5th, 2009

Name of Neighbor: DELAINE & RANDY BROOKS

Phone Number: HELD MEETING SAT. DEC. 5 @ 1:PM

Comments: The meeting went very well.
Mr. Evans had several comments on zoning,
parking and overall project. Most were
positive as were all other comments.
He took his comment sheet with him to
mail in but as of this date - I haven't
received it. (12/15/09) We were very happy
with everyone embracing the care home
idea instead of being subject to awful
renter conditions. (Lasted 1 hr. @ site)

Your attendance & input is appreciated.

Thank You!

Subject: Re: RE: Comments from Payson Community Development Website

Hello Ms. Spiess,

Thank you for your interest and concern in regards to the future care home located at 906 E Frontier.

In response to your questions:

1) What sort of group home will this be? Is it a half-way house, or rehab facility, or psychiatric facility, or who will be the residents of this facility?

Answer - It is called The Frontier House (no business signs will be visably posted) and is an Assisted Living Care Home, which will take care of level one patients, who are elderly people that can dress, feed and go to the bathroom for themselves.

2) How will this impact real estate values in the neighborhood?

Answer - The home will be properly maintained inside and out. The inside is to be inspected by the state and must meet health and assisted living care home requirements. The outside will be freshly painted and the yard will be properly maintained. The outside of the home is to have its landscape professionally cared for on a bi-monthly bases. So, with no signs and simply being a well-kept home, The Frontier House should raise the level of standards and real-estate values for the homes within the immediate area.

3) How much traffic will be going in and out of this property?

Answer - It's a sad thing, but statistically the visitation rate is only once a month per resident. The Frontier Home is on a 1/3rd acre lot and there is a separated parking area, out of site of the main road, which holds 5 vehicles if there ever was a need. The front 2 car driveway would be kept open for visitors and care givers would utilize the existing parking area located on the side of the house. On average, there will be two cars parked on the side of the property and one in the front for visitors on occassion. There will be no more traffic generated than any other residential home within the area.

I do apologize that you were unable to reach me when you tried before, Kathryn. Hopefully the number I have on file is correct. My phone number 928-595-1605, with a messaging service, if needed. Please feel free to call me at anytime if you have any more questions or concerns. And again, thank you for taking the time to comment on our project.

Happy New Year,

Randy Brooks

Kathryn Spiess,
 I'm forwarding your request to Randy Brooks via this email to allow him the opportunity to respond.

Randy Brooks,
 Please confirm your receipt of this email and your response to Kathryn Spiess.

Thank you.

 Subject: Comments from Payson Community Development Website

Kathryn Spiess submitted the following information using the Town of Payson website:

I live on S. Mudsprings and have a couple questions about CUP-176-09 I was unable to attend the public meeting at this property on E. Frontier because I was working that weekend. I have tried to leave a message for Randy Brooks but there was no answering service to leave a message. I would like to know:

1) What sort of group home will this be? Is it a half-way house, or rehab facility, or psychiatric facility, or who will be the residents of this facility?

2) How will this impact real estate values in the neighborhood?

3) How much traffic will be going in and out of this property?

Thanks in advance. I can be reached at 468-8944 in the evenings.
