Chairman Jones closed the public hearing.

Chairman Jones commented that the main issue seems to be the changing of the address to one on Willow Lane.

Diane Sexton stated that building was the only one on that street and it is an alleyway. She would like to keep the same address that is being used now.

Sheila DeSchaaf, Planning and Development Director, stated that the residence was constructed prior to the construction of Willow Lane as a single family residence. At some point a use was moved in that wasn't recognized so to make it legal a conditional use permit was required to bring up to a commercial standard including signage. Ms. DeSchaaf also stated that the alleyway was not owned by the Town of Payson and there is some discrepancy where the property lines start and end on both east and west sides of it.

Commissioner Smith suggested that the recommendation from police and fire regarding the address change be considered for public safety.

Motion: To approve CUP15-011, a request to allow professional office use in a R3 zoning district at 817 South Beeline Highway subject to the conditions recommended by staff and adding a new #6 'changing the address to reflect a Willow Lane address as recommended by police, fire and legal counsel' and the existing #6 will become #7.

Moved by Jennifer Smith, seconded by Eric Martindale.

Vote: Motion carried 5 - 0

Yes: Barbara Underwood, Clark Jones, Dan Jaeger, Eric Martindale, and Jennifer Smith.

Absent: Lori Meyers.

D. SCHEDULED DISCUSSION/POSSIBLE ACTION

1. Proposed calendar for 2016 and January 2017.

Sheila DeSchaaf, Planning and Development Director, explained the proposed meeting calendar. It will be voted on at the January meeting.
