SUMMARY OF AGENDA ITEM

DATE: August 5, 2010
TO: Mayor and Council
FROM: Ray Erlandsen
Community Development Director
SUBJECT: **Unified Development Code Amendment – Ordinance 785, Resolution 2569**
Section 15-03 Landscaping Provisions

PURPOSE:

This amendment to the Unified Development Code (UDC) would replace the existing Landscaping, Screening and Buffering provisions (Subsections 15-03-001, 15-03-002 only) with updated language intended to clarify and update the current code.

SUMMARY:

In January 2009 staff brought forward amendments to the landscaping and buffering provisions of the Unified Development Code. These amendments combined provisions previously found in the Town of Payson Code of Ordinances Section 153 with the existing provisions in the UDC. In addition to combining the two documents into one, photographs and illustrations were added.

After the consolidated provisions were adopted, the Design Review Board began reviewing the language to compare the provisions in the code with what was a desirable final product.

The Design Review Board recommended the revisions 6-0 at their April 13, 2010 meeting. A public hearing was held before the Planning & Zoning Commission on May 10, 2010. The Planning & Zoning Commission recommended the revisions 7-0 following that public hearing.
